use our Faith to acquire and believe God for new things and victories in Him and 2 where we use that same Faith to resist and battle against all odds that is thrown at us After defining the elements of faith Apostle Michael empowers us with the tools to increase our faith Our knowledge of God and the application of what we know It s not enough to know what the Word of God says What produces real faith is displayed when our actions match our belief Apostle Scantlebury gives us an accurate understanding of the benefits of our trials Contrary to our Westernized belief Faith and trials are mutually inclusive We are encouraged to keep trusting God despite the opposition Trusting God then becomes the substratum of having a pleasant relationship with Him

Exploring the Secrets of Hidden Wealth Michael Scantlebury,2025-02-01 This masterpiece has been quite controversial in some quarters the subject of finances in the Kingdom In his usual straight forward but yet biblical approach Apostle diligently explained the parables of Jesus in view of provisions delving into a strong theological framework for stewardship and how to form relevant partnership for wealth which is an effective interaction with the world system for material advance and contentment as a Kingdom virtue This book served to fuel in us an even deeper personal search into God s intention for wealth among His people It provides a unique perspective on God s heart towards us and His empowering ability through resources to bring His purpose to pass Exploring the Secrets of Hidden Wealth is a revelatory guide to understanding the power purpose and stewardship of money

The Resurrection of The Dead Ones Michael Scantlebury,2025-06-15 What happens to a person when they die It is one of the most asked and least understood questions in all of life and for the Christian it entails the idea of a resurrection Every Christian denomination and there are many believe one simple truth the tomb was empty after the crucifixion of Jesus We often hear sermons where the focus is on the cross and the resurrection is mentioned only in passing But when you really get into the meat of the Word of God the Bible clearly shows that the resurrection of Jesus was the gospel message preached by the Apostles and not the Cross Sadly the Believers only seem to get excited about the resurrection once a year at Easter time In reality every Sunday should be Resurrection Sunday The early Church met on the first day of the week to celebrate Jesus defeat of death Imagine the impact from consciously gathering every week to celebrate the resurrection And in that vein we need to seek to arrive at a clear biblical understanding of this particular question regarding what happens to a person when they die It is my earnest prayer that we together could arrive at a much better understanding of this subject

The Restoration of Zion Michael Scantlebury,2019-08-16 When you hear the word Zion what comes to mind As Christians we ve sung the choruses and the hymns about Zion or Mount Zion but do we fully understand just what we re singing about Do we know what it is The Bible promises the full restoration of Zion and if we don t fully know what Zion is what then do we anticipate in terms of its restoration The greatest hindrance to accurate interpretation and application of Scripture is a futuristic view of Scripture This futuristic view continues to rob the Believer of experiencing God in His fullness in the here and now In this book we will uncover within the Scriptures exactly what Zion actually represents to the New Testament believer So lay down any

preconceived ideas you may have delve into the pages of this book and let it speak truth to you
