The Routledge Companion to Contemporary Brand Management Francesca Dall'Olmo Riley, Jaywant Singh, Charles Blankson, 2016-07-15 The amount and range of brand related literature published in the last fifty years can be overwhelming for brand scholars This Companion provides a uniquely comprehensive overview of contemporary issues in brand management research and the challenges faced by brands and their managers Original contributions from an international range of established and emerging scholars from Europe US Asia and Africa provide a diverse range of insights on different areas of branding reflecting the state of the art and insights into future challenges Designed to provide not only a comprehensive overview but also to stimulate new insights this will be an essential resource for researchers educators and advanced students in branding and brand management consumer behaviour marketing and advertising

Management of Marketing Paul Reynolds, Geoff Lancaster, 2005-06-02 The text provides information on the core elements of the subject of marketing without the depth that often surrounds these to ensure that the basic concepts are easily identifiable and accessible Students on MBA courses often do not have time to read a long text as they are studying many subjects therefore they require a good basic guide pitched at the appropriate level to be able to be absorbed quickly but still provide enough of a strategic element to stretch them Written by a successful author team Management of Marketing covers the key topics of the marketing component of an MBA course and provides a good balance of theory and application to ensure both aspects of the core concepts are covered

Sales Management Thomas N. Ingram, Raymond W. LaForge, Ramon A. Avila, Charles H. Schwepker Jr, Michael R. Williams, 2024-01-22 This 11th edition of Sales Management continues the tradition of blending the most recent sales

management research with the real life best practices of leading sales organizations and sales professionals Reflecting today's emphasis on analytics and customer experience CX this edition focuses on the importance of employing different data based selling strategies for different customer groups as well as integrating corporate business marketing and sales level strategies and plans Sales Management includes coverage of the current trends and issues in sales management along with real world examples from the contemporary business world that are used throughout the text to illuminate chapter discussions The new 11th edition includes Emphasis on data driven decision making ethics the use of artificial intelligence the customer experience leadership sales enablement technology and new communication technologies Updated end of chapter cases with application questions along with skill building experiential exercises with discovery investigations and focused role plays which place students in the role of sales manager Updated ethical dilemmas for students to practice ethical decision making Revised Sales Management in Action boxes Multiple vignettes embedded in each chapter featuring sales management professionals and well known companies discussing key topics from that chapter This text is core reading for postgraduate MBA and executive education students studying sales management An updated online instructor's manual with solutions to cases and exercises a revised test bank and updated PowerPoints is available to adopters
