Dirty Jokes and Bawdy Songs Susan Davis, 2019-10-15

Collector of sexual folklore Cataloger of erotica Tireless social critic Gershon Legman s singular disreputable resume made him a counter cultural touchstone during his forty year exile in France Despite his obscurity today Legman s prescient work and passion for the prurient laid the groundwork for our contemporary study of the forbidden Susan G Davis follows the life and times of the figure driven to share what he found in civilization s secret libraries Self taught and fiercely unaffiliated Legman collected the risqu on street corners and in theaters and dug it out of little known archives If the sexual humor he uncovered often used laughter to disguise hostility and fear he still believed it indispensable to the human experience Davis reveals Legman in all his prickly provocative complexity as an outrageous nonconformist thundering at a wrong headed world while reveling in conflict violating laws and boundaries with equal abandon and pursuing love and improbable adventures Through it all he maintained a kaleidoscopic network of friends fellow intellectuals celebrity admirers and like minded obsessives
