Elements of Grading Douglas Reeves, 2011-06-01 Effective teacher feedback is crucial to improving student achievement. The author provides educators with practical suggestions for making the grading process more fair, accurate, specific, and timely. In addition to examples and case studies, this edition offers a significant amount of new content, including an exploration of how the Common Core State Standards and new technologies impact grading practices. **On Your Mark** Thomas R. Guskey, 2014-08-05 Create and sustain a learning environment where students thrive and stakeholders are accurately informed of student progress. Clarify the purpose of grades, craft a vision statement aligned with this purpose, and discover research-based strategies to implement effective grading and reporting practices. Identify policies and practices that render grading inaccurate and understand the role grades play in students' future success and opportunities.
