TASER® Conducted Electrical Weapons: Physiology, Pathology, and Law Mark W. Kroll, Jeffrey D. Ho, 2009-02-27 TASER Conducted Electrical Weapons are rapidly replacing the club for law enforcement control of violent subjects within many countries around the globe A TASER CEW is a hand held device that delivers a 400 volt pulse with a duration tuned to control the skeletal muscles without affecting the heart at a distance of up to 6.5 meters over tiny wires If necessary it begins with an arcing voltage of 50 000 V to penetrate thick clothing the 50 000 V is never delivered to the body itself Due to the widespread usage of these devices and the widespread misconceptions surrounding their operation this book will have significant utility This volume is written for cardiologists emergency physicians pathologists law enforcement management corrections personnel and attorneys

Police use of tasers Great Britain: Parliament: House of Commons: Home Affairs Committee, Keith Vaz, 2011-03-07 In a brief report the Home Affairs Committee highlights areas of concern in the supply of Tasers to police forces in England and Wales including the issue of having a monopoly distributor of Tasers This monopoly supplier had their authority revoked after one of the directors of the company gave an unauthorised Taser to police for use in the hunt for Raoul Moat Following the revocation of the authority the Home Affairs Committee held an urgent evidence session in response to suggestions that some police forces were due to run out of Taser stock During the course of the evidence session the Committee discovered that a new company had been awarded the authority to supply Tasers to police forces in England and Wales The Committee expressed concern over a number of issues including that police forces in England and Wales were close to running out of Taser cartridges following the revocation of the authority of the original company that there appeared to be widespread confusion about the parameters of the authority to supply Tasers Not only did the company distribute an unauthorised Taser to Northumbria Police it had previously sold the same make of Taser to the National Police Improvement Agency that the new holder of the authority to supply Tasers to police forces in England and Wales is extensively linked to the former distributor the new company consisting of more or less identical personnel operating in the same premises with a near duplicate website and also concern about the adequacy of a monopoly supplier business model in police procurement and urges the Home Office to examine other options in order to encourage competition and ensure that potential monopoly profits are not given to a particular company or group of individuals
