Living in The Merry Ghetto Trever Hagen,2019-06-06 Living in the Merry Ghetto is a new look at illegal music making in Czechoslovakia during state socialism The book examines the case of the Czech Underground and the politics of their music and their way of life paying close attention to the development of the ensemble The Plastic People of the Universe

The Power of Morality in Movements Anders Sevelsted,Jonas Toubøl,2022-11-07 This Open Access book explores the role of morality in social movements Morality has always been central to social movements whether it be in the form of the moral foundations of movement claims politics and ideologies the values motivating participation the new moral principles envisioned and practiced among movement participants or the overall struggle over society s moral values that movements engage in This is evident in movements emerging from recent interlinked crises the crisis of human rights the climate crisis

and the developing crisis of democracy In analyzing these current events through a variety of theoretical methodological and empirical lenses this book brings morality to the forefront of the discussion allowing for a rethinking of its role The book is divided into five parts The first part introduces and explores the central concept of the book outlining the dominant existing approaches to morality and ethics in the extant movement and civil society literature The following three parts investigate morality in relation to topics and movements that are either prominent to contemporary politics or salient to the question of morality In these empirically informed parts the authors apply a diverse selection of methods spanning fieldwork historiography traditional and novel statistical analytical methods and big data analysis to a diverse selection of data Topics discussed include refugee solidarity movements male privilege and anti feminism movement environmental and climate justice movements and religious activism The fifth and closing part of the book focuses on the more abstract theoretical question of the relationship between morality and ethics and activist practices and points to future research agendas This book will be of general interest to students scholars and academics within the disciplines of political sociology science and anthropology and of particular interest to academics in the subfields of social movement and civil society studies

Coping+Plus Frank M Robinson,Doe West,Dwight Woodworth Jr.,1995-03-24 Everyone can learn new or more effective coping skills and strategies to deal with times of loss crisis and disability Being aware of possible options or of how others fare in coping with difficult situations is better than groping in the dark It is hoped that the real life experiences and coping skills presented here will help others in dealing with similar issues and challenges Culture, Social Movements, and Protest Hank Johnston,2016-12-05 This cutting edge research volume advances the widely accepted perspective that cultural factors are central elements in shaping trajectories organizational forms recruitment protest strategies and ideologies of social movements Hank Johnston brings together international experts in cultural analysis to focus on narratives frames speech acts subcultural networks and new developments in cultural theory By introducing innovative methodologies this title will be of key importance to scholars across the social sciences including sociology political science geography anthropology and women s studies Johnston s exciting book is a significant contribution to the cultural analysis of social movements
