Tcu Guidebook 2012 13:

Social Media and the Law Daxton Stewart, Daxton R. Stewart, 2017-02-10 Social media platforms like Facebook Twitter Instagram YouTube and Snapchat allow users to connect with one another and share information with the click of a mouse or a tap on a touchscreen and have become vital tools for professionals in the news and strategic communication fields But as rapidly as these services have grown in popularity their legal ramifications aren't widely understood To what extent do communicators put themselves at risk for defamation and privacy lawsuits when they use these tools and what rights do communicators have when other users talk about them on social networks How can an entity maintain control of intellectual property issues such as posting copyrighted videos and photographs consistent with the developing law in this area How and when can journalists and publicists use these tools to do their jobs without endangering their employers or clients Including two new chapters that examine First Amendment issues and ownership of social media accounts and content Social Media and the Law brings together thirteen media law scholars to address these questions and more including current issues like copyright online impersonation anonymity cyberbullying sexting and live streaming Students and professional communicators alike need to be aware of laws relating to defamation privacy intellectual property and government regulation and this guidebook is here to help them navigate the tricky legal terrain of social media The Governance of Regulators Driving Performance at Brazil's Electricity Regulatory Agency OECD, 2021-10-27 As market referees regulators contribute to the delivery of essential public utilities Their organisational culture behaviour actions and governance are important factors in how they and the sectors they oversee perform **A Panorama of Linguistic Landscape Studies** Durk Gorter, Jasone Cenoz, 2023-10-10 Language is on display all around us all the time and the study of this linguistic landscape is one of the fastest growing areas of research in applied linguistics This book provides an overview of how the field of Linguistic Landscape Studies has emerged and developed over the past 20 years combined with an in depth exploration of the theoretical approaches innovative research methods and major themes that have been central to this dynamic area of research Written by two authors who have been involved in the field from its inception the book features summaries of studies from around the world a discussion of the future of the field and an analysis of the impact of linguistic landscape research on language policy language learning and teaching and minority language revitalization It will be an invaluable companion for students and researchers in Linguistic Landscape Studies as well as to those working in related areas The book is open access under a CC BY NC ND licence *Tropical Roots and Tubers* Harish K. Sharma, Nicolas Y. Njintang, Rekha S. Singhal, Pragati Kaushal, 2016-08-23 Roots and tubers are considered as the most important food crops after cereals and contribute significantly to sustainable development income generation and food security especially in the tropical regions The perishable nature of roots and tubers demands appropriate storage conditions at different stages starting from farmers to its final consumers Because of their highly perishable nature search for efficient and better methods

of preservation processing have been continuing alongside the developments in different arena This book covers the processing and technological aspects of root and tuber foods detailing the production and processing of roots and tubers such as taro cassava sweet potato yam and elephant foot yam Featuring chapters on anatomy taxonomy and physiology molecular and biochemical characterization GAP GMP HACCP Storage techniques as well as the latest technological interventions in Taro Cassava Sweet potato yam and Elephant foot Yam TCU Forms Manual Dennis Dwayne Simpson,1991
