Teach Research Paper:

Teaching the Research Paper James E. Ford, 1995 Distinguishing itself from the numerous manuals written for students this is the first book dedicated to helping teachers in all fields at both secondary and college levels to teach the research paper more effectively It is a comprehensive response to the challenges raised by this ubiquitously assigned and commonly dreaded exercise The essays here cover all aspects of research paper instruction from the debate over the value_ and even the existence_ of the research paper to practical advice Some essays outline entire research paper courses and units while others offer solutions to very specific common problems like teaching library search strategies and note taking discouraging plagiarism and taking advantage of computers In addition to the essays many written especially for the volume the bibliographies that follow each section offer many more useful ideas

How to Teach the Best Research Paper Ever! Elisabeth Blandford, 2009-04-14 At last A teacher manual that has what you need and what you want How to Teach the Best Research Paper Ever is the companion to the student text How to Write the Best Research Paper Ever In it you will find that this curriculum and the way in which you deliver it meet all the requisite State Standards for Secondary English More importantly you will find lesson plans prepared for you that have all the instructional components and all the active participation strategies you need to draw your students into this process and project That s right 29 Lesson Plans which makes this if used in its entirety a quarter long project in the secondary schools or a semester course in college All of you curriculum plans assignments and assessments are prepared for your use Adapting your own lessons for extensions and or corrections is easy Our students have benefited greatly for several years now through the research paper writing process taught in this book How to Write the Best Research Paper Ever I think it is so important that students learn the proper research techniques and writing conventions the whole step by step process taught in this book I know that the teacher who introduces it to our students can t say enough good things about it and we carry it into all the high school courses where we expect students to use it Patricia Blount Christian Life School Kenosha Wisconsin Mrs Blandford has carefully and creatively provided a book that is a guaranteed recipe for success in writing research papers
