Second Language Students in English-Medium Classrooms Coreen Sears, 2015 This practical guide is

for all teachers administrators and parents of children in international schools with students from linguistically and culturally diverse backgrounds It includes references to the latest uses of embedded technology and many exemplary strategies and resources that are becoming customary usage in international schools **Equal Rights to the Curriculum** Eithne

Gallagher,2008-05-21 The parents of second language children are often seen but not heard in schools This book is unique in addressing the many issues facing parents of children whose first language is different from that of the school classroom Drawing on teaching theory the book provides these parents with a wealth of practical information guidelines and checklists enabling them to ask schools intelligent and challenging questions to test whether their children s linguistic diversity is really being properly catered for The theory review and best practice guidelines should be of value also to teacher trainers teachers administrators and policy makers They provide an accurate analysis of important issues together with pragmatic pointers towards improving educational practice so that all children growing up in a school s multicultural society will be guaranteed what they deserve *Equal Rights to the Curriculum* *Global to Local Curriculum Policy Processes* Susan Ledger,Lesley

Vidovich,Tom O'Donoghue,2014-08-20 This book explores the dynamics of curriculum policy processes involved in the adoption production and enactment of the International Baccalaureate Primary Years Programme IBPYP accredited by the International Baccalaureate Organization IBO It addresses deficits in current literature and provides insight into and the complexities involved within a framework that takes cognisance of the relationships between global regional national and local levels of education policy processes In doing so it contributes to the current body of research on international education remote education and policy processes The IBPYP is one of the three programmes that go to make up the increasingly popular suite of programmes offered by the IBO Given the exponential growth of international schools caused by an ever changing globalized world and a mobile workforce international curriculum policy is becoming more complex This has lead to a recognition of the need for a range of policy analysis studies in the field The study presented in this book was conceptualised in the light of such recognition This relatively uncharted field has been explored by focusing on one of the most unusual settings Accordingly the adoption production and enactment of the IBPYO at three remote international schools has been examined The study also addresses how the phenomena of international schools and remote schools complement or compete with each other This results in a better understanding of the educational policies informing both international schools and remote schools and the interconnectivity that might exist between them *The Independent Schools Guide*

2011-2012 Gabbitas,2011-11-03 All parents want their child to be happy and successful at school but few decisions are harder than identifying the right school for your child The Independent Schools Guide now in its 17th edition provides all the guidance and advice needed to make the most informed decisions The book includes an extensive reference section for over 2 000 schools details on fee planning scholarships and bursaries guidance for overseas parents including language support and guardianship and detailed profiles of over 200 schools and colleges For any parent guardian or carer who is considering

the independent sector the Guide is the definitive reference source **Teaching, Learning, and Leading with Schools and Communities** Amy J. Heineke, Ann Marie Ryan, 2018-09-21 Re envisioning the role impact and goals of teacher education programs this volume immerses readers in the inner workings of an innovative field based teacher preparation program in Chicago Grounded in sociocultural theory the book documents how teacher educators school and community partners and teacher candidates in the program confront challenges and facilitate their students learning development and achievement By successfully and collaboratively developing instructional partnerships and embedding programs in urban schools and communities the contributors demonstrate that it is possible to break the conventional mold of teacher education and better prepare the next generation of teachers **IB World Schools Yearbook 2012** ,2012 **Internationalizing Teacher Education in the United States** Beverly D. Shaklee, Supriya Baily, 2012-03-08 As countries become increasingly interdependent student populations in the United States are becoming more culturally diverse These students transnational perspectives present significant challenges to teachers but a disconnect exists between the skills teachers need and those provided to them by colleges of education As teacher preparation programs continue to cater to historic models of diversity the programs show a glaring lack of recognition for the recent changes in school and community populations Internationalizing Teacher Education in the United States examines the impact of globalization on teacher education in the United States explains the current barriers to teacher education becoming more internationally minded and presents possible solutions for teacher education programs to consider Other books address the multi national challenges faced by American education in the 21st century but this book takes it one step further offering teacher educators practical and theoretical explorations of their vital role in the education of contemporary student populations in the United States
