traumatic reality that required perspective and patience while fighting through moments of despair and sadness It was Donnie and Lorena s determination that they would be part of the solution for their daughter that shaped Thalia s journey It is Donnie s cousin Lisa who noticed Thalia s autistic behavior symptoms and delivered her initial learning therapy sessions Each child that is diagnosed as being on the autism spectrum will have a different experience with the disorder No two situations are the same The following is Thalia s unique autism journey Her Miracle of Effort The book is intended to offer hope to the many families that are confronted with this disability As Thalia says an autism diagnosis does not mean that a child cannot be successful It just means that he or she will see the world in a different light Thalia s simple hope is to inspire autistic individuals to live up to their full potential and provide optimism to families      *Host Bibliographic Record for Boundwith Item Barcode 30112106524124 and Others ,2013*
