faith **Mormonism 101** provides definitive answers examining the major tenets of Mormon theology and comparing them with orthodox Christian beliefs Perfect for students of religion and anyone who wants to have answers when Mormons come calling **O Wondrous Plan** J. Peter Baumgarten, 2025-07-11 The idea of predestination which seems to have a scriptural basis is actually a Trojan horse While appearing to many to be a gift of grace it is actually full of deceptions and completely inconsistent to the plan of salvation holding that man has no free choice and that God has already selected a favored few of

his children for salvation while committing the rest most of mankind to damnation regardless of merit To explore this subject with maximum clarity I will present the doctrine of predestination in sharp relief to the true doctrines of the wondrous plan of salvation for all mankind This presentation includes a detailed description of what the doctrine consists of it s origin and history the scriptural authority referenced to support the doctrine its implications and a discussion of how and why the idea of predestination is inconsistent and at odds with the gospel of Jesus Christ To better introduce this subject I begin the first chapter of this book with a personal experience an experience that heightened my own awareness of the issue

**The Seeker's Guide to Faith** J. Peter Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ

*The Week of Atoning Sacrifice* Randal S. Chase,2014-04-16 The Week of Atoning Sacrifice For This Purpose Came I Into the World is a stirring summary of the most important week in the history of our Father s universe This is the week when Jesus Christ performed His act of mercy and grace that allows all of us to overcome all things and return to our Heavenly Father The story is told in a chronological narrative that adds context and meaning to the individual events of that final week Jesus enters Jerusalem triumphant with crowds shouting Hosanna But one week later those same crowds demanded that the Romans Crucify Him The intervening events show how Jesus ministered to the people healing and forgiving and teaching He cleansed the temple condemned the hypocrisy of Jerusalem s religious leaders and prophesied the destruction of the city and temple On the night before His crucifixion Jesus met with his disciples taught them and instituted the ordinance of the sacrament Then He retreated to the Garden of Gethsemane where by some

process that is beyond our comprehension He suffered for the sins sorrows disappointments disabilities pains and unjust circumstances of every living child of God in every part of our vast universe in every dispensation of time Jesus is then betrayed arrested and illegally tried He declares himself to the Son of God endures hateful and humiliating insults and is condemned to death He suffers unspeakable torture concluding with His being nailed to a cross He died ministered to the spirits in the Spirit World then rose from the dead He taught His disciples for 40 days then ascended into heaven with a promise that one day He would return in great power It was without doubt the most consequential week of human history Dr Randal S Chase a veteran CES and Institute instructor provides insights into these in a relaxed and understandable style Readers will find themselves gaining insights and understanding about the week of atoning sacrifice that may have eluded them before The cover features the stunning image of the crosses on Golgatha by Carl Bloch     **Apocalypse** Randal S. Chase,2016-10-31 Apocalypse The Great Day of the Lord for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord s anger is poured out upon them see Revelation 6 16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22 20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson     **The Book of Meditation** Norman Nold,2021-01-26 The Book of Meditation was developed over more than twenty years of taking notes during meditation and writing down inspiration when feeling the Holy Spirit through prayer and contemplation I noted during my meditation many times what kind of technique was bringing the best results and thus wrote them down to be used or gone over later Many times I received a tingly feeling and heard a still small voice and then wrote down inspiration After I had decided to write this book about meditation it is my firm belief that God told me to write this book and I am sure the name comes from this inspiration Were it not for this inspiration from God I m sure I would have stopped writing many different times Though I have no great education nor do I have any great standing in society yet I have received many revelations and some amazing visions I think God wants us to realize once again that anyone may receive these revelations from God we don t need to have some great position in church or standing in society just a sincere and repentant heart humble mind and being a diligent person who truly desires to know the Lord God and Jesus Christ The Lord

wants to communicate with us often yet we in our busy world need to listen we need to take time to meditate Through prayer and meditation we can communicate with God but we need to listen after we ask questions in our prayer We need to wait on the Lord we need to meditate Psalm 12 states But his delight is in the law of the Lord and in his law doth he meditate day and night The Book of Meditation can help with this I m sure it can bring the peace and the love of God to many The Power of Godliness Jonathan A. Stapley,2018 A church s liturgy is its ritualized system of worship the services and patterns in which believers regularly participate While the term often refers to a specific formal ritual like the Roman Catholic Mass events surrounding major life events birth coming of age marriage death are often celebrated through church liturgies By documenting and analyzing Mormon liturgical history Jonathan Stapley is able to explore the nuances of Mormon belief and practice More important he can demonstrate that the Mormon ordering of heaven and earth is not a mere philosophical or theological exercise The Power of Godliness is the first work to establish histories for these unique liturgies and to provide interpretive frameworks for them *Faith Crisis, Volume 2: Behind Closed Doors* L. Hannah Stoddard,James F. Stoddard,2020-10-05 During the 20th century an organized objective to rewrite Latter day Saint history from within unbeknownst to the general Church membership went head to head behind the scenes with traditional leaders of the Church Meet the main players of this conflict Leonard Arrington progressive Father of New Mormon History Ezra Taft Benson traditionalist defender and many other advocates of traditionalist and progressive Latter day Saint history As traditionalists and progressives sparred during the 1970s 1980s a covert cold war commenced in Salt Lake City Utah with the progressives spying on the traditionalists and the traditionalists spying on the progressives Secret informants leaked documents falsified reports and even employed pseudonyms all were part of this struggle to dominate Latter day Saint history But how did and does this secret conflict affect you Progressives working in the Church History Department and at Brigham Young University claimed 40 years ago that it would take a generation to re educate the Church Where are we now in that re education

*Discovering Christ* Richard N. Skousen,2022-04-18 No one is more important to us than our Savior Jesus Christ He is the only means of our salvation He is our everlasting example How can we follow Him and grow to become more like Him It s impossible to become like someone whom we don t truly understand When pondering about our Savior are we able to answer these vital questions Who is He What is He like What are His fundamental attributes What does He believe and what did He teach How did He handle the adversity trials rejection and temptations that He faced in His life How can this knowledge help us in our own trials and temptations We can turn to three sacred sources to discover who our Savior is the scriptures the teachings of the prophets and the commandments He has given us As we study His attributes from these sources our understanding will expand and our lives will improve significantly Each chapter in this book focuses on one of our Savior s attributes concluding with powerful suggestions demonstrating how we can obtain these same qualities As we apply His attributes in our lives we will become more like Him As we become more like Him we will come to know Him better and we

will be filled with power from heaven Discovering Christ can lead each of us to a richer life a life filled with light peace and joy *The Christlike Leader* Kimball Fisher,2023-02-02 Jesus Christ is our ultimate example Learn to lead like Him The Savior showed His followers how to guide and motivate others delegate duties rescue those in need resolve conflicts and create councils It is up to you to implement His lessons in your life Bestselling management author Kimball Fisher is an international expert and authority on leadership Addressing Church leaders he applies the same practical principles he uses with Fortune 100 companies and his own personal stories to leadership roles in the Church along with the example of the Lord and lessons from the scriptures Magnify your calling and serve the Lord as to your fullest potential *The Teachings of Ezra Taft Benson* Ezra Taft Benson,1988 **Doctrine and Covenants Church History Seminary Teacher Manual** The Church of Jesus Christ of Latter-day Saints,2014-03-27 This manual is a resource to help seminary teachers prepare lessons from the Doctrines and Covenants and Church history It provides 160 lessons that contain teaching suggestions doctrines and principles and scripture mastery helps for daily seminary classes It also contains 32 lessons for weekly home study classes that correspond to the Doctrine and Covenants and Church History Study Guide for Home Study Seminary Students **The Scriptures Unfolded** Xolani Maxama,2017-03-14 The Scriptures Unfolded uncovers profound scriptural doctrines such as The Godhead or The Holy Trinity the origins of men the purpose of mens creation what happens to man when he dies the role of Jesus Christ in the lives of the human family the purpose of trials and hardships signs of a true church the Second Coming of Jesus Christ the Final Judgement and many other wonderful scriptural topics This book in many ways is a summary of the core message of the Bible The book The Scripture Unfolded is also a great companion in the study of the scriptures *Who Are Latter-Day Saints?* , **Navigate the Strait** Bradford G. Smith,2020-12-23 A dying father s testimony to his children about faith covenants and eternal life Navigate the Strait is an insightful look at one man s journey through an active life of teaching in The Church of Jesus Christ of Latter day Saints which is ending in the slow downward spiral of ALS also known as Lou Gehrig s Disease Yet his happy sustaining faith and his love for his all caring Tiffany and their three children Lincoln Edison and Abigail drive his passion to finish this book He wants his family and friends to KNOW him better after the disease will likely take his life This book is a must for anyone who wants to teach understand or gain the strength to live the gospel of Jesus Christ You will find in it stories ideas and teaching examples that express the doctrine of Christ in simple ideas that make life betterI m just a normal guy with a testimony of Jesus Christ Then I got ALS Bummer ALS is taking away everything that I am good at speaking typing fixing things hugging my wife and children I am writing this book with one finger on a mouse or with my eyes controlling my iPhone On the bright side I finally have something in common with Stephen Hawking Now that my disease has reduced my life to complete dependence on others what am I worth Well I am still a good teacher I love my Savior I love the restored gospel of Jesus Christ I look at the gospel in a nonlinear fashion thinking critically about how gospel teachings connect to one another and to our personal struggles If all truth is

circumscribed into one whole we need to think deeply and sometimes creatively about how the gospel connects to us and to others Since ALS will take my life I will likely not be around to teach these ideas to my kids in the moment they need a lesson I pray that this little book of Dad s testimony will help my children and grandchildren as they grow and need answers to their questions If you happen to read it and if it helps you on your journey that s great too When we meet let me know what you liked Most of my writings are about The Church of Jesus Christ of Latter day Saints While I present many ideas within the framework of church doctrine and culture I hope that anyone can learn something useful from what I have learned I am no scriptionist I have never taught religion at BYU I don t know the location of the Ark the lost tribes of Israel the Book of Mormon cities or Nikola Tesla s death ray These ideas are my own based on my prayerful study of doctrine and scriptures But don t just take my word go to the source and see for yourself If anything in this book conflicts with living prophet then I am wrong Stick with the prophet I do know that Jesus Christ is the Savior and Redeemer of all mankind I know that he loves you and me even when life gets hard If you have never looked into The Church of Jesus Christ of Latter day Saints I encourage you to visit [ComeUntoChrist.org](http://ComeUntoChrist.org) to learn the basics You can ask questions and even invite missionaries to visit your house and share a message with your family You will discover that the kingdom of God has been restored to the earth in The Church of Jesus Christ of Latter day Saints You will hear about a living prophet of Christ on the earth who speaks with authority like Moses Elijah or Peter And you will learn more about Jesus Christ in the Book of Mormon as a companion to the Bible That is what we mean when we say it s true This book is my attempt to dive deeper into those simple truths It is organized by topic so feel free to jump around and to jump out to the scriptures I hope this book makes you happy
