Investment Management YOGESH MAHESHWARI, 2008-11-03 This book specifically designed for postgraduate students of management finance and commerce for the course in Investment Management or Security Analysis and Portfolio Management provides a thorough understanding of the concepts and methodologies of investment management It begins with a sound theoretical introduction to the basic concepts of savings investments risk and return portfolio and financial markets The text then systematically explains the wide gamut of

investment alternatives available to an investor and elucidates the investment markets and processes as prevalent in India. What distinguishes the text is that it emphasizes the practical aspects of the subject. In so doing, the book provides extensive coverage of the tools and techniques of technical analysis. Realizing the fact that investment is becoming more of a systematized and structured activity, the book presents a meticulous treatment of security analysis. This is closely followed by an exclusive chapter on portfolio management which encompasses all the aspects of the selection, maintenance, evaluation, and revision of portfolios. The book concludes with an overview of the regulatory environment of investments.

Key Features
Explains the concepts and processes in the Indian context, thus enabling the students to know the markets and investment procedures in India.
Focuses on the practical aspects to help students start investing even while they are doing the course.
Provides end-of-chapter questions to drill the students in self-study.
Besides postgraduate students of management and commerce, senior undergraduate students of these courses as well as practising managers should find the book extremely useful.

An Analysis of the Pali Canon and a Reference Table of Pali Literature Russell Webb, Bhikkhu Nyanatusita, 2011-12-01
An Analysis of the Pali Canon is a comprehensive overview of the contents of the works that make up the Tipitaka, the Canon of the Theravada school of Buddhism. It also contains an index of the suttas and sections of the Tipitaka, as well as an extensive bibliography of the translations of canonical works and secondary literature. The second part of this book, A Reference Table of Pali Literature, is an extensive list of all the works composed in the Indic language known as Pali. It lists all the works of the Tipitaka, the commentaries and subcommentaries, historical chronicles, works on medicine, cosmology, grammar, law, astrology, Bible translations, etc. It also gives data on the authors' time of composition, country of origin, and includes references to secondary literature that provide more information on the works listed. This book is an essential resource for students and researchers of the Tipitaka and other Pali literature.

Geographical Analysis of Higher Education Reena Bala, 2021-01-01
This book reveals a huge paradigm shift in the higher education scenario of this hill state. There has been not only huge physical expansion but also remarkable change in its composition and management. 1991 being the water divide, there has been a sharp increase in inter-district disparity, rapid growth of technical and professional education, and privatization of higher education in the state. Physiography playing a crucial role in geographical distribution and locational pattern of higher educational institutions, more than four-fifths of total higher education institutions were distributed in areas

located below 1500 meters height and located along national and state highways Due to the constraints of terrain in the hill state there has been a judicious use of land in opening of teaching courses in higher education colleges and universities in the state High land demanding institutions such as sports colleges and universities were not at all in the state The study recommended several practical suggestions to improve the situation The book will be useful to the policy makers and Government of Himachal Pradesh research scholars doing work concerning in the field of higher education in the state
