Carney, 2010-04-12. The Definitive Introduction to Harmonic Trading. By the Originator of This Approach. Scott Carney, Harmonic Trading creator. Scott Carney unveils the entire methodology to turn patterns into profits. These strategies consistently identify the price levels and market turning points that reveal the natural order within the chaos of the financial markets. Analogous to the predictable behavior of many of life's natural processes, Harmonic Trading examines similar relationships within the financial markets to define profitable opportunities in an unprecedented manner. Carney introduces new discoveries such as the Bat pattern, Alternate AB-CD structures, the 0.886 retracement, and more. These strategies are entirely new to the trading community and they represent a profound advancement beyond all other Fibonacci methodologies. After you've discovered how to identify harmonic patterns, Carney presents a complete methodology for applying them in trade execution and handling them throughout the entire trade management process. From savage bear to rampaging bull, Harmonic Trading can be employed in all markets: equities, currencies, commodities, and foreign markets for both short and long term timeframes. **Turning Patterns into Profits**
