Robinson,2023-11-07 No matter how much I enjoyed parenthood I found myself having to accept its fundamental truth that nothing ever turns out quite as you d expect It was a journey that most parents would hope to avoid a son born with a congenital heart defect a fateful decision to take a family trip abroad and an emergency hospitalization that left them stranded on the other side of the world with no obvious way home Despite these difficult circumstances More Than We Expected is not a tragedy Instead this memoir offers valuable lessons about the privilege of parenthood and the practice of medicine the mysterious ways in which the body forms and grows giving life how we find the faith to live with our decisions even if the consequences are beyond our control and a family s extraordinary capacity when something goes wrong to compensate and heal More Than We Expected is a story of finding strength in the most unexpected places Our children have a special ability to reveal the goodness in the world their eyes a window to a life full of wonder Like them this book is a vivid reminder of what it means to be human a miraculous inexplicable gift however fleeting **Broken Realms (The Complete 7-Book Series)** D.W. Moneypenny,2020-06-15 Some lives are bigger than one reality Because they have to be The day Mara Lantern meets herself her life gets bigger When she meets her brother from an alternate universe it becomes more complicated And when her new mentor says creatures from other realms are invading this world she thinks it s absurd Until he explodes into a cloud of dust and reassembles himself That makes her doubt Then he says only she can stop the invaders That makes her afraid Join Mara Lantern and her companions in a seven volume science fiction adventure through reality time and space where they encounter everything
