

**Instructions for GOVERNMENT AGENCIES and POLITICAL SUBDIVISIONS
to Ship Surplus or Salvage Data Processing Equipment to the TREC**

This packet contains the following forms:

- MML-113, Computer Recovery, Data Processing Equipment Transfer Information
- MML-114, Bill of Lading

1. All data processing equipment must be deleted from your property accounting system prior to shipment to the computer recovery facility.
2. The MML-113 form must be filled out correctly and completely, and signed by the individual authorizing the transfer.
3. All equipment must be listed on MML-114 form. Property numbers and serial numbers are not required. Columns for these numbers to be listed are provided for you should items listed be capital or fixed asset control. If your equipment is listed in spreadsheet format, the list may be attached to the MML-114, as long as the Description column of the form responses "not attached list".
4. Once complete, fax all applicable forms to the facility closest to your location:
 - United Unit Computer Recovery Facility, Naples, Texas – fax: 361-974-6761
 - Wyand Unit Computer Recovery Facility, Humble, Texas – fax: 281-291-5278
5. There are two methods available for transferring equipment to the computer recovery facility:
 - Equipment may be scheduled for pickup by the TREC Freight Transportation Division. Using this method, a completed copy of the "TRUCK VERIFICATION FORM" must be faxed to the appropriate computer recovery facility, when the shipment has been made.
 - Equipment can be delivered by the client directly to the computer recovery facility. Prior approval must be obtained and a date scheduled for delivery.
6. When preparing equipment for shipment to the computer recovery facility:
 - Loose items must be secured (e.g., shrink-wrapped, boxed). The TREC Freight Transportation truck driver will not pick up loose items.
 - Equipment must be palletized and shrink-wrapped prior to pickup. Please contact us should this be a problem as we may be able to offer alternatives.
 - A copy of the completed MML-113 form must be placed on each pallet.
 - Palletized items should not exceed 8 feet in height.
