Annual salaries shown are for employees with 190-day work schedules. The daily rate of pay is determined by dividing the annual salary shown on this schedule by 190 days.

For working retirees, the rate of pay would be reduced by 5% (or 10% based on benefits election) and the salary schedule name would begin with 5 or 10.

For FY 18, eligible employees move up one step. Steps have been adjusted so step movement equals a minimum of 3%. Step 29 has been added to the schedule.
