Course Description

Honors 8th grade English is a course that focuses on refining the basics of the English language: literature, writing, grammar, vocabulary, and speech. During the school year, we will be engaging in a variety of activities including reading various novels and short stories, poems, nonfiction works, writing several pieces, and presenting speeches. We will also be working on the skills of grammar and vocabulary throughout the year. The National Common Core English Language Arts Standards that the State of Wisconsin has adopted will drive our work this year. Students will be challenged with a variety of supplementary materials and activities in a faster-paced environment. Honors students are expected to put forth “above and beyond” effort in the quality of their work and attitude involved with this class.
