Comprehensive Textbook of Nursing Management and Leadership_1e -

E-Book Nipin Kalal, 2025-04-11 The textbook covers all the chapters outlined in the revised curriculum for the BSc Nursing programme. The content presentation is organized with clear headings, bullet points, and charts to enhance accessibility and understanding. Diagrams, flowcharts, and tables have been used to simplify intricate concepts for effortless reference. Each chapter aligns with current healthcare regulations, safety guidelines, and ethical standards in nursing management and leadership. The book is beneficial for nursing students, educators, and professionals at all levels who wish to enhance their leadership and management abilities. End of chapter multiple choice questions, short and long answer questions assist students in preparing for competitive examinations. It promises to enhance the administration capabilities of nurses in a variety of healthcare environments by incorporating the most recent research and evidence-based practices. Appendix: Case-based discussions, formats, scenario-based learning, and self-assessment exercises have been covered. Digital Resources: Complimentary access to MCQs along with the e-book is provided.

Leading and Managing in Contemporary Health and Social Care, E-Book Elizabeth Anne Rosser, Cate Wood, 2022-01-18. An understanding of leadership and management theory and practice is integral to the success of a new generation of health and social care professionals and managers of services. It is equally important for educators in the field. *Leading and Managing in Contemporary Health and Social Care* by Elizabeth Rosser and Cate Wood supports the development of all health and social care professionals as managers and leaders in today's rapidly evolving environment. This new title addresses pertinent topics including integration and enhancement of health and social care services, interprofessional working, the importance of a strong organizational culture, developing individual resilience, leading innovation, and practising successful project and financial management within global and culturally sensitive contexts. With a growing mandate for health and social care professionals to understand leadership and management within their organizations and a strong appreciation of these skills by employers, this new book is an important contribution that students and educators alike will welcome. Comprehensive and authoritative text written by experts in their field. Fifteen chapters offer current thinking from a range of different perspectives. Presents leadership management theory that can be applied across a wide range of workplaces. Includes summary points and case studies for reflection and application. Ideal reference for Master's students and those undertaking MBA courses with a focus on health and social care.

Leadership, Management and Team Working in Nursing Peter Ellis, 2025-01-08. Leadership is central to all aspects of the nursing role, from managing the delivery of high quality care to acting as a role model for best practice. Written specifically for nursing students, this book introduces you to the principles and practice of leadership management and multi-disciplinary team working. Key features: Each chapter is mapped to the 2018 NMC Standards. Introduces the core leadership theory you need to know using case studies and reflective activities to show how it relates to your practice. Updated throughout including new activities and discussions of compassionate leadership, interprofessional working, frameworks, and emotional intelligence. Builds your understanding of the challenging aspects of leadership including
