Broken Wings Tereza Ciccarini, 2010-04-26 Amy and Jill Two young women who briefly met as they slowly were heading toward the Emergency Room entrance at Griffin Hospital Far along in their respective labors they soon gave birth without any complications A little girl Samantha was born to Amy while a little boy Drew was born to Jill In an amazing turn of events both infants entered the world at the exact same time down to the very same minute and second 3 45 18 am Coincidence Perhaps Fate Who Knows The truly unknown fact then was that these four lives would be irrevocably linked for the duration of their natural lives as well as those of their loved ones Many unexpected twists and turns soon begun to follow each incident with unbelievable consequences and even more unbelievable outcomes A terrible head on collision so violent that it caused both cars to fly in opposite directions Three innocent victims in total but there was only one survivor Two happy spouses eagerly waiting to see their mates soon completely unaware that for them the journey had just ended A nine year old child healthy one day and dying the next A devastated mother simply unable to accept what his pediatrician had just told her Desperation soon followed the initial denial and she vowed that she would fight tooth and nail and for as long as there was still any breath left in her beaten body Somehow somewhere she would find someone anyone who would be willing to help her little one Stating that she did not care how she went on to say that she would indeed find the help her little child so desperately needed and would not give up until she found that one person who could make her child well again She was willing to go to hell and back to achieve that A casual encounter with a handsome charismatic stranger who assured her that he could spare the life of her child This turn of events offered the distraught mother the help and hope she was determined to

search for What he asked from her in return though was so horrible that she had to fight hard not to recoil from him as if he had just set her on fire It was one sordid and sick proposition and only up to her take or leave it but unfortunately she was well aware that she could not simply turn around and run away like she would like to As vile as it sounded it was the only option open to her and to her child for his life depended on it And she would be damned if she was going to let him die without a fight Defeat was a bitter pill to swallow especially if preceded and immediately followed by a silent barrage of self loathing and self pity Complete and total inadequacy were never more blatant than at times like these It was one hell of a choice but that so called choice was never hers to make anyway Not since she casually bumped into her child s savior the despicable creature with the cold eyes and an even colder soul if it had one at all Connecticut the weekend destination for New Yorkers who were ready to escape the hustle and bustle of their hectic Manhattan lives during the weekdays suddenly became front page news from coast to coast A string of unsolved rape murders discovered in a period of less than three years soon spread terror among the residents of Fairfield and New Haven Counties where the crimes occurred The resulting shock wave was unprecedented for it was the state s first encounter with a serial killer Six murders in total and in spite of the massive manhunt that was set in motion right after the body of the second girl was discovered the complete lack of leads had the authorities literally scratching their heads in disbelief Six young and innocent victims and still nothing for the investigating task force to go by other than the fact that all semen samples collected from each one of the dead girls was a perfect match That led to extremely high levels of frustration among those assigned to find the person responsible for the brut
