Melting Away Brogan Broyce, 2023-05-15 Hello my friend Thank you very much for showing interest in my book As for me I was raised on the far southeast side of Chicago I was a typical boy with typical interest sports and play However all throughout my school days I was told that my essays were stimulating and my poetry interesting I didn't pursue either until thirty years later My family was my life I had married my high school sweetheart and we raised our five children together I worked as an electrical lineman for thirty three years and after retiring early we moved to Tennessee It was there that I discovered an article about the misfortunes of Ireland during the potato famine 1845-1849 The more I peered into Ireland's history the more interested I became Then at the onset of COVID I had more sympathy for Ireland than ever before Hence I researched and put together a novel even as our world also contended with a dreadful malady And here we are today Thank you for your interest and good reading to you Brogan Broyce
