Collier's ,1916 Coulyng Castle, Or, A Knight of the Olden Days Agnes Giberne,1875 **I Came□I Stayed** Arlene Sollis,2014-10-14 When Arlene Sollis was born with cerebral palsy in 1935 the doctor advised her parents against taking her home He said she would never function on her own that she would be mentally handicapped and unlikely to survive beyond the age of ten Her quality of life the doctor said would be minimal at best and so he recommended that she be sent to an institution where she would be taken care of Her mother refused instead taking Arlene home with her And all of the doctor s predictions turned out to be false Arlene turned out to be a bright child with a true zest for life Although she has certainly faced struggles and difficulties in her life she grew to adulthood and eventually became a special education teacher She dedicated her life to promoting the rights of all disabled people receiving many awards and citations for her work This memoir tells the true and inspiring story of Arlene s life following her from birth until the present and recalling her childhood teaching career progression of her condition and retirement **Arthur's Lady's Home Magazine** ,1880 *John Rixon's money-box, and other stories* John Rixon (fict.name.),1883 **Stealing the Billionaire** S.M. West,2023-03-23 Broody billionaire Walker Drummond is way out of my league but that s easily forgotten when I literally fall at his feet on my behind my dress hiked to my hips staring up at his irritatingly handsome face I m a reluctant thief and he should be off limits but underneath his hard exterior lies an adoring father and caring man And the real jaw dropper He s interested in me None of this should matter since he has no use for relationships And despite the magnetism of his unwavering confidence and arresting blue eyes I don t do flings We re at a stalemate Which is for the best Until surprisingly he abandons his hard line on casual for me Blame it on lust or maybe it s something more when I cast caution aside to be with him Still I don t belong in his world Nor do I know how to play the game The thing with games Only one person wins While Walker keeps his heart safely guarded convinced I ll steal it I m the one who stands to lose it all **Voices of Resistance** Judy Maloof,2021-05-11 Latin American women were among those who led the suffrage movements of the nineteenth and early twentieth centuries and their opposition to military dictatorships has galvanized more recent political movements throughout the region But because of the continuous attempts to silence them activists have struggled to make their voices heard At the heart of Voices of Resistance are the testimonies of thirteen women who fought for human rights and social justice in their communities Some played significant roles in the Cuban Revolution of 1959 while others organized grassroots resistance to the seventeen year Pinochet dictatorship in Chile Though the women share many objectives they are a diverse group ranging in age from thirty to eighty and coming from varied ethnic and socioeconomic backgrounds The Cuban and Chilean women Judy Maloof interviewed use the narrative form to reinvent themselves Maloof includes narratives from a poet a tobacco worker a political prisoner an artist and a social worker to demonstrate the different faces of their struggle In the process these women were able to begin to put together their fragmented lives Speaking out is both a means for personal liberation and a political act of

protest against authoritarian regimes The bond that these women have is not simply that they have suffered they share a commitment to resisting violence and confronting inequities at great personal risk The Heretic's Creed Fiona Buckley,2016-12-20 Buckley draws even the most minor characters with subtlety and skill making the dramatic conclusion that much more satisfying Publishers Weekly Starred Review Ursula Blanchard must acquire a mysterious medieval manuscript in the latest enthralling historical adventure February 1577 Sir William Cecil has a dangerous new mission for Ursula Blanchard He has asked her to visit Stonemoor House on the bleak Yorkshire moors the home of a group of recusant women led by Abbess Philippa Gould In their possession is an ancient book and the Queen s advisor Dr John Dee is eager to get hold of it However while the Abbess is anxious to sell the book others such as her half sister Bella believe it to be heretical and demand that it be burned It is not Sir William s first attempt to secure the book His two previous emissaries vanished without trace What happened to them and will Ursula suffer the same fate **Lost Between Wanting and Able** Melba Peña,2012-06-05 Accepting a debilitating illness alone with your marriage deteriorating because of your health Emotional struggle to survive and still find happiness with acceptance Still you battle the feeling of loneliness Because you look different your acquaintances treat you differently The Mermaid Beside the Stream Stephen David Eteng,2015-07-29 The Mermaid beside the Stream is a philosophical fiction that depicts an uncommon characteristic of a fledgling entity too soon given to the pursuit of independence It is a tale about a stripling who desires to be allowed to do things on his own at an age when most children are still totally dependent on their mothers for everything including blowing their noses The young one finally got what he was looking for an opportunity to enjoy a couple of hours of freedom free of adult monitoring But as almost always happens albeit in disparate forms and shapes to those stubbornly striving for yet unattainable heights he would encounter a mermaid beside the stream a terror inflicting meeting that complicated his world and doomed him and his relatives and friends to a lifetime of adversity It seeks to look in depth into family values the troubles faced by parents in the upbringing of children it exposes the mistake inherent in the modern trend of not whipping children when they go astray with an underlying criticism of embracing the white mans culture at the expense of pure tradition handed down by our African forefathers It exposes the debilitating effects of fear and seeks to educate and liberate those who have allowed themselves to be shackled by it This book will appeal to all classes for like the stages of life it unfolds with bloodcurdling suspense life from cradle to early adulthood with each stage underscored by lively original poetry **The Gospel standard, or Feeble Christian's support** ,1859 **School and Home Education** ,1890 **The Frederick Douglass Papers** Frederick Douglass,2012-10-30 Life and Times was first published in 1881 revised and expanded in 1892 Although Douglass wrote two other autobiographies Narrative 1845 and My Bondage and My Freedom 1855 he clearly deemed this comprehensive treatment of his life his most important autobiography This edition reintroduces readers to a long neglected essential of African American literature Life and Times revisits the events of his earlier autobiographies demonstrating their connection

to later events in his life his political abolitionism his connection to John Brown the Civil War his relationship with Abraham Lincoln Reconstruction the Jim Crow Era and the Gilded Age *Olive Leaves ...
