Rogue Wolf On the heels of completing their latest mission Lexi and Reece sense another werewolf hunting in the same area. One glance into his mind tells them that there is something very wrong with him. When a body is found in the woods nearby their intuition is proven to be correct. The shifter has turned rogue and it is their job to hunt him down. Mark relocates the Squad to their base in West Virginia. He begins digging into a series of deaths that have taken place during the past few years. It quickly becomes apparent that it wasn't an accident that they crossed paths with the unstable shifter. When a camper mysteriously goes missing just a few hours away from their compound Lexi and Reece are sent to investigate. Lexi has a feeling that Mark knows more about the rogue wolf than he is willing to admit. When their two missions unexpectedly collide they are caught in a trap that could end up changing everything forever. Corpse Thieves With the vampire virus slowly but surely working its way through Lexi and Reece they must soon face down the being that has infected them or risk losing their souls to darkness. While on their way to confront Lexi's mother the squad is called away to investigate a slew of missing corpses. Reece has his own problems to face. He is torn between his duty to his team and the lifelong dream that is now being offered to him. While he can postpone the inevitable he will eventually have to make a decision. Not even he knows what his final choice will be. It doesn't take long before their newest mission takes a turn for the worse. Lexi is confronted with an awful truth about herself that she has been trying her hardest to deny. Her survival depends on tapping a talent that could cause her own team to turn against her if they learn of its existence. Snake Charmer Defying the cycle of the moon that binds all shape shifters Lexi transforms into her alter ego in an attempt to flee from her sorrow and anguish. Little does she know that no matter how far or fast she runs she can't escape from her grief at being abandoned by her mate. Locked in her werewolf form it takes a catastrophe to force her to become human again. Stepping back into her normal life isn't easy but Lexi must set aside her personal problems when one of her friends goes missing during their next mission. The team needs her to step up and become an alpha in deed rather than just in name. Even during her prolonged time spent as a werewolf the vampirism has been insidiously spreading through her. The time is coming when Lexi will reach the point of no return. Soon she will become the very thing that the Shifter Squad hunts down and destroys.

Hunter Elite Series: Bundle 3: Books 7 - 9 J.C. Diem, This bundle contains books seven to nine of the *Hunter Elite* Series. Hunting A Relic. Succumbing to Alakay's master vampire power, Ari becomes his unwilling servant. Luckily, she isn't alone in the lair he's chosen to lurk in. She makes an unlikely friend who could turn out to be beneficial to her in the long run. All she has to do is pretend she isn't an evil, soulless monster now. How hard could that be? The *Hunter Elite* and Jake Everett desperately search for a way to retrieve Ari's soul. When a solution is presented to them, Jake must make a deal that will be filled with peril. If they wish to succeed, they'll need Ari's cooperation to accomplish it. Now that she's become a full vampire, they all know it won't be easy to get her to see reason. The team will need to split up as they all tackle their separate tasks. They will face dangerous foes, and some will travel to realms they'd never expected or wanted to visit. They will become allies with creatures they are normally enemies with to serve a common goal, but their alliance will be shaky. Ari finally embarks on the mysterious task to retrieve a relic from somewhere no one has ever returned from before. It will be her most hazardous mission so far, and even with her magical abilities, she isn't sure she'll succeed. The worst part is that she won't be going alone. She'll have company she would rather see dead than to be partnered with. Hunting The Dark. Ari finally gets a chance to contact the pixies. It is her hope that they will give her some of their magical dust so she can cast the spell that will nullify Spencer's control over the people she loves. Their assistance won't be free. This one is stranger than most, and their foes are both deadly and elusive. It isn't going to be easy to hunt the Dark and survive. Jake Everett and his small sidekick Rudy will be joining them. Until their war with the demon, the witch, and the druids is over, they'll be sticking together. Morgwen returns from her journey through the portal to another realm. She had brought allies that can kill with one touch with her. The Earth has never seen their like before, and even Spencer is fearful that the witch's army might not be stoppable.
