Space in Modern Egyptian Fiction Ramadan Yasmine Ramadan, 2019-11-01 In 1960s Egypt a group of writers exploded onto the literary scene transforming the aesthetic landscape *Space in Modern Egyptian Fiction* explores how this literary generation presents a marked shift in the representation of rural urban and exilic space reflecting a disappointment with the project of the postcolonial nation state in Egypt Combining a sociological approach to literature with detailed close readings Yasmine Ramadan explores the spatial representations that embodied this shift within the Egyptian literary scene and the disappearance of an idealized nation in the Egyptian novel This study provides a robust

examination of the emergence and establishment of some of the most significant writers in modern Egyptian literature and their influence across six decades while also tracing the social economic political and aesthetic changes that marked this period in Egypt's contemporary history

Sonallah Ibrahim Starkey Paul Starkey, 2016-06-02 This volume is designed as an introduction to the contemporary Egyptian author Sonallah Ibrahim one of the most important Arabic novelists of the modern era with an unrivalled reputation for independence and integrity among contemporary Egyptian writers The first study in any language devoted exclusively to Sonallah Ibrahim the volume discusses each of the author's novels individually beginning with the seminal *Tilka al-ra'ha That Smell* 1966 and ending with *al-Jalid Ice* 2011 Each work is discussed individually in its literary social historical and political context The volume traces the evolution of Sonallah Ibrahim's work in terms both of their themes and of their literary technique and concludes with an attempt at an overall evaluation of the author's contribution to the contemporary Egyptian novel Paul Starkey's account shows how innovative and stylistically rich the Arabic novel has become over a period of some fifty years beyond the better known work of writers such as Naguib Mahfouz and Yusuf Idris As such the volume will serve as an introduction not only to the individual author but also to the development of Egyptian and more generally Arabic literature over the last half century

Prison Nation Paul Wright, Tara Herivel, 2013-10-23 Prison Nation is a distant dispatch from a foreign and forbidden place the world of America s prisons Written by prisoners social critics and luminaries of investigative reporting Prison Nation testifies to the current state of America s prisoners living conditions and political concerns These concerns are

not normally the concerns of most Americans but they should be From substandard medical care the inadequacy of resources for public defenders to the death penalty the issues covered in this volume grow more urgent every day Articles by outstanding writers such as Mumia Abu Jamal Noam Chomsky Mark Dow Judy Green Tracy Huling and Christian Parenti chronicle the injustices of prison privatization class and race in the justice system our quixotic drug war the rarely discussed prison AIDS crisis and a judicial system that rewards mostly those with significant resources or the desire to name names Correctional facilities have become a profitable growth industry for companies like Wackenhut that run them and companies like Boeing that use cheap prison labor With fascinating narratives shocking tales and small stories of hope Prison Nation paints a picture of a world many Americans know little or nothing about [Investigating the Stanford Prison Experiment](#) Thibault Le Texier,2024-08-08 In 1971 psychologist Philip Zimbardo ran the now famous Stanford prison experiment to show that prison could make normal people behave in pathological ways Based on the first thorough investigation in the archives of the experiment and on interviews with about half of its participants this book shows that the Stanford prison experiment is far from being scientific In particular the guards knew what results were expected from them they were trained and supervised by the experimenters and they were following a schedule and a set of rules written by the experimenters The experimenters deceived the guards and made them believe they were not subjects They also borrowed many elements from a previous student experiment without disclosing this information in their reports The prisoners were not allowed to leave the experiment at will and they were conditioned by the experimenters The mock prison situation was unrealistic Most participants did not forget they were participating in an experiment and many responded to demand characteristics The data was not collected properly And the conclusions were pre written according to non academic aims This book goes beyond the experiment to provide ample background and context in order to understand how the experiment was planned financed recorded and divulged in the press and within the academic It discusses also the role played by Philip Zimbardo in the trial of one of the guards of Abu Ghraib as well as the impact of mass media on science the debates between personal psychology and social psychology and the specific nature of cold war social science *Handbook on Prisons* Yvonne Jewkes,Jamie Bennett,2016-02-23 The second edition of the Handbook on Prisons provides a completely revised and updated collection of essays on a wide range of topics concerning prisons and imprisonment Bringing together three of the leading prison scholars in the UK as editors this new volume builds on the success of the first edition and reveals the range and depth of prison scholarship around the world The Handbook contains chapters written not only by those who have established and developed prison research but also features contributions from ex prisoners prison governors and ex governors prison inspectors and others who have worked with prisoners in a wide range of professional capacities This second edition includes several completely new chapters on topics as diverse as prison design technology in prisons the high security estate therapeutic communities prisons and desistance supermax and solitary confinement plus a brand new section on international

perspectives The Handbook aims to convey the reality of imprisonment and to reflect the main issues and debates surrounding prisons and prisoners while also providing novel ways of thinking about familiar penal problems and enhancing our theoretical understanding of imprisonment The Handbook on Prisons Second edition is a key text for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in the prison service or in related agencies who need up to date knowledge of thinking on prisons and imprisonment

American Prisons SpearIt,2017-08-07 This book is a critical exploration of prisons in contemporary America Paying special attention to race and Islam the work draws on a range of data and sources including interviews and written correspondence with current and ex prisoners documentary research and congressional hearings on topics that include criminal justice and religion culture conversion radicalization and reform Keywords American Prisons Islam Muslim Conversion Culture Criminal Justice Race Religion Latinos Radicalization

Palestinian Political Organizations in Israeli Prisons Alyssa G. Bernstein,2024-06-16 Palestinian Political Organizations in Israeli Prisons examines the evolution and changes within the Palestinian Prisoners Movement and the structural opportunities and constraints that inform collective resistance today Drawing on observation based fieldwork and over 40 interviews with ex prisoners and additional interviews with lawyers and advocates this book presents a sociological account of Palestinian prisoners in Israel an important reflection of the wider Israeli Palestinian conflict The Oslo Accords the peace agreements between the Palestinian Liberation Organization and Israel transformed not only Palestinian politics but the entire prison environment By exploring issues including the specific characteristics of women s resistance the effects of the Islamicization new hunger strike strategies consumerism within the prison parenting children and escapes Palestinian Political Organizations in Israeli Prisons offers a fresh analysis of political resistance in Israeli prisons Applying a social movement approach and drawing comparisons to other politically motivated prisoner groups the book traces the effects of changes from the Oslo Accords through to today including the Second Intifada the split between Hamas and Fatah the co option of the Palestinian Authority and increasingly systematic prison management explaining how these factors have affected life for Palestinian prisoners in Israeli prisons and influence conflicts today

Prison Food An-Sofie Vanhouche,2022-06-11 Based on the lived experiences of incarcerated persons and staff this book explores the symbolic significance of prison foodways to normalization autonomy identity construction power group formation and security The book also traces the rationalization s that policy makers attach to prison food from the water and bread diet of the 18th century the contested abolition of alcohol consumption to the current fear surrounding the spread of COVID 19 through food distribution in prisons The argument is developed that prison food policies have always reflected how Belgian governments have treated imprisoned persons The emphasis on Belgian prisons and the discussions on prison foodways situated on a micro and macro level add a unique flavour to prison food scholarship by providing a deeper understanding of a penal culture outside the dominant tradition of Anglo Saxon and Nordic

studies. Consequently, the book provides a nuanced conception of prison foodways for penologists, sociologists, those with interests in wider prison policy, and those working on the socio-cultural role of food in closed environments.
