Jews of the Amazon Ariel Segal Freilich,1999 A fascinating study of a Jewish community in one of the world s most isolated places the heart of the Peruvian Amazon *Head Hunters of the Amazon* Fritz W. Up de Graff,1923 *The Amazon* Mark J. Plotkin,2020-03-02 The Amazon is a land of superlatives The complex ecosystem covers an area about the size of the continental U S The Amazon River discharges 57 million gallons of water per second in two hours this would be enough to supply all of New York City s 7 5 million residents with water for a year Its flora and fauna are abundant Approximately one of every four flowering plant species on earth resides in the Amazon A single Amazonian river may contain more fish species than all the rivers in Europe combined It is home to the world s largest anteater armadillo freshwater turtle and spider as well as the largest rodent which weighs over 200 lbs catfish 250 lbs and alligator more than half a ton The rainforest which contains approximately 390 billion trees plays a vital role in stabilizing the global climate by absorbing massive amounts of carbon dioxide or releasing it into the atmosphere if the trees are destroyed Severe droughts in both Brazil and Southeast Asia have been linked to Amazonian deforestation as have changing rainfall patterns in the U S Europe and China The Amazon also serves as home to millions of people Approximately seventy tribes of isolated and uncontacted people are concentrated in the western Amazon completely dependent on the land and river These isolated groups have been described as the most marginalized peoples in the western hemisphere with no voice in the decisions made about their futures and the fate of their forests In this addition to the What Everyone Needs to Know series ecologist and conservation expert Mark J Plotkin who has spent 40 years studying Amazonia its peoples flora and fauna The Amazon offers an engaging overview of this irreplaceable ecosystem and the challenges it faces *The Amazon* Franz von Dingelstedt,1868 *Gaenor's Prophecy Book 3: Inspired Dreams* Jonathan Edward Feinstein,2018-05-27 Gaenor s Prophecy Book 3 Gaenor Artur and the rest of their party continue on south from Maxforn just as the on going war with the Empire of Vohnider begins to heat up The southern kingdoms are well versed in advanced technology but will even their scientific expertise be enough to counter all the new weaponry being employed by their enemies **Mapping the Amazon** Amanda M. Smith,2021-05-01 An analysis of the political and ecological consequences of charting the Amazon River basin in narrative fiction Mapping the Amazon examines how widely read novels from twentieth century South America attempted to map the region for readers Authors such as Jos Eustasio Rivera R mulo Gallegos Mario Vargas Llosa C sar Calvo M rcio Souza and M rio de Andrade travelled to

the Amazonian regions of their respective countries and encountered firsthand a forest divided and despoiled by the spatial logic of extractivism. Writing against that logic, they fill their novels with geographic human and ecological realities omitted from official accounts of the region. Though the plots unfold after the height of the Amazon rubber boom (1850-1920), the authors construct landscapes marked by that first large-scale exploitation of Amazonian biodiversity. The material practices of rubber extraction resurface in the stories told about the removal of other plants, seeds, and minerals from the forest, as well as its conversion into farmland. Smith places the counter-discursive impulses of each novel in dialogue with various modernizing projects that carve Amazonia into cultural and economic spaces: border commissions, extractive infrastructure, school geography manuals, Indigenous education programs, and touristic propaganda. Even the novel maps studied, however, have blind spots. **Mapping the Amazon** considers the legacy of such unintentional omissions today. **The Amazon** Lopes Gonçalves, 1904. *In the Amazon Jungle* Algot Lange, Frederick Samuel Dellenbaugh, 1912. *In the Amazon Jungle* Algot Lange, 2022-09-04. *In the Amazon Jungle* is a meticulously crafted narrative that immerses readers in the richness and complexity of the Amazon rainforest. Through evocative prose and vivid imagery, Lange skillfully evokes the sights, sounds, and textures of the vibrant ecosystem while weaving a tale of exploration and discovery. The book, situated within the literary context of early 20th-century adventure literature, engages themes of colonization, environmentalism, and the contrasting lives of Indigenous peoples and Western adventurers, offering a critical lens on the impact of globalization on fragile ecosystems. Algot Lange was a passionate naturalist and explorer whose own travels in South America inspired his writings. His experiences in the Amazon, where he interacted with diverse cultures and environments, shaped his deep understanding of both the wonders and challenges of the region. Lange's background in environmental science and anthropology informs the narrative, highlighting his commitment to raising awareness about the ethical considerations surrounding exploration and exploitation of natural resources. Readers seeking a captivating journey through one of the world's last great wildernesses will find *In the Amazon Jungle* a profound and thought-provoking read. Lange's narrative not only entertains but also educates, making it essential for those interested in adventure, environmental issues, and the interconnection of cultures in the context of nature. **The Andes and the Amazon; Or, Across the Continent of South America** James Orton, 1876. *The Andes and the Amazon* James Orton, 2025-08-29. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. **Blade of the Amazon** Eric Fluellen, 2023-06-05. About the Book: Power, Vengeance, Greed. Have there ever been more enthralling reasons that could motivate anyone to scorch the earth? Sovereign Galashin Mathis, the leader of the Amazons, could do nothing but keep sending her sisters and brothers to battle, even when their enemies seemed to be infallible and invincible. Lord Scalemon's army of demons and monsters are relentless in their attacks, brutal in annihilating the Amazons, and ruthless in fulfilling

their master's wishes With wave after wave of demon forces attacking them from all directions Sovereign Mathis brave warriors have no time to spare to mourn their fallen comrades They have no choice but to continue fighting against the onslaught of evil threatening to take over their land Meanwhile a lost soul yearns to redeem his family's honor and bring back his lineage's glory Mandel is willing to do everything and give anything to achieve his dreams even if it means trading his humanity with the devil Consumed by his desire to avenge his name and seek vengeance from all who wronged him Mandel does not even think twice when he forges ahead in his journey of destruction and chaos About the Author Eric Fluellen immensely loves reading with his favorite genres being fantasy and science fiction However he tries to stretch his horizons by reading books like Treasure Island and Moby Dick Fluellen considers himself a movie buff ranging from periods of the 1940s to the present time with varied genres He is interested in politics and trying to encourage people to exercise their right to vote It is an essential part of citizenship
