The Annotated Mother Goose With An Introduction And Notes

Yan Bai

The Annotated Mother Goose With An Introduction And Notes:

The Annotated Archy and Mehitabel Don Marquis, 2006-08-01 Generations of readers have delighted in the work of the great American humorist Don Marquis who was frequently compared to Mark Twain These free verse poems which first appeared in Marquis's New York newspaper columns revolve around the escapades of Archy the philosophical cockroach who was once a poet and Mehitabel a streetwise alley cat who was once Cleopatra Reincarnated as the lowest creatures on the social scale they prowl the rowdy streets of New York City in between the world wars The antics of these two immortal characters are now made available for the first time in their original order of publication in this unique comprehensive collection which features many poems never before reprinted For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Mother Goose Refigured Christine A. Jones, 2016-11-07 Mother Goose Refigured presents annotated translations of Charles Perrault's 1697 fairy tales that attend to the irony and ambiguity in the original French and provide a fresh take on heroines and heroes that have become household names in North America Charles Perrault published *Histoires ou Contes du temps pass* Stories or Tales of the Past in France in 1697 during what scholars call the first vogue of tales produced by learned French writers The genre that we now know so well was new and an uncommon kind of literature in the epic world of Louis XIV's court This inaugural collection of French fairy tales features characters like Sleeping Beauty Cinderella and Puss in Boots that over the course of the eighteenth century became icons of social history in France and abroad Translating the original *Histoires ou Contes* means grappling not only with the strangeness of seventeenth century French but also with the ubiquity and familiarity of plots and heroines in their famous English personae From its very first translation in 1729 *Histoires ou Contes* has depended heavily on its English translations for the genesis of character names and enduring recognition This dependability makes new innovative translation challenging For example can Perrault's invented name Cendrillon be retranslated into anything other than Cinderella And what would happen to our understanding of the tale if it were Is it possible to sidestep the Anglophone tradition and view the seventeenth century French anew Why not leave Cinderella alone as she is deeply ingrained in cultural lore and beloved the way she is Such questions inspired the translations of these tales in Mother Goose Refigured which aim to generate new critical interest in heroines and heroes that seem frozen in time The book offers introductory essays on the history of interpretation and translation before retranslating each of the *Histoires ou Contes* with the aim to prove that if Perrault's is a classical frame of reference these tales nonetheless exhibit strikingly modern strategies Designed for scholars their classrooms and other adult readers of fairy tales Mother Goose Refigured promises to inspire new academic interpretations

of the Mother Goose tales particularly among readers who do not have access to the original French and have relied for their critical inquiries on traditional renderings of the tales

The Annotated Wizard of Oz Lyman Frank Baum, 2000 A beloved classic comes to life with this beautifully illustrated annotated edition on the 100th anniversary of Oz The Wonderful Wizard of Oz is the quintessential American fairy tale but also one of the most controversial children's books ever published Michael Patrick Hearn the world's leading Oz scholar provides a spellbinding annotated edition that illuminates all of Oz's numerous contemporary references provides fascinating character sources and explains the actual meaning of the word Oz A facsimile of the rare 1900 first edition appears with the original drawings by W W Denslow scrupulously reproduced to mimic their correct colors using a different color for each region of Oz as well as twenty five previously unpublished illustrations In addition Hearn provides an extensive bibliography compiling Baum's published work every notable Oz edition and the stage and motion picture productions from 1939's The Wizard of Oz to the 1974 Broadway smash The Wiz The result is a classic to rival Baum's own and a book no family's library can do without 90 black and white 56 color and two color illustrations throughout

The New York Times Book Review, 1979 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback

Myth and Meaning in Early Taoism N. J. Girardot, 1988 Myth and Meaning in Early Daoism examines some of the earliest texts associated with the Daoist tradition primarily the Daode jing Zhuangzi and Huainanzi from the outlook of the comparative history of religions and finds a kind of thematic and soteriological unity rooted in the mythological symbolism of hundun the primal chaos being and principle that is foundational for the philosophy and practice of the Dao as creatio continua in cosmic social and individual life Dedicated to the proposition that ancient Chinese texts and traditions are often best understood from a broad interdisciplinary and interpretive perspective this work when it was written challenged many prevailing conceptions of the Daode jing and Zhuangzi as primarily philosophical texts without any religious significance or affinity with the later sectarian traditions While controversial and at times playfully provocative the methodology and findings of this book are still important for the ongoing scholarship about Daoism in China and the world
