The Asshole English Edition

Frederick Henry Ambrose Scrivener

The Asshole English Edition:

A Supplement of the Authorised English Version of the New Testament Frederick Henry Ambrose Scrivener, 1845 The Classical Review , 1918 This companion to the Classical Quarterly contains reviews of new work dealing with the literatures and civilizations of ancient Greece and Rome Over 300 books are reviewed each year Introducing the Medieval Ass Kathryn L. Smithies, 2020-09-01 This is the first book dedicated to the medieval ass It appeals to a multi Audience interested lay readership accessible introductory and undergraduate level book scholar This book explains how the medieval ass was an arse an idiot a violent hot tempered sexed up brute that ate the balls of its own male offspring Conversely the ass was also a humble patient loyal hard working Christian animal marked with a cross that Christ rode into Jerusalem These paradoxical qualities are explored in this book and open up a wealth of information on how people in the Middle Ages viewed the ass not just as a simple beast of burden but also as a figure to warn and to educate to expose human failings and praise the divine Introducing the Medieval Ass reveals medieval attitudes to animals to people and to the divine making it an excellent way to approach medieval cultural and animal studies *The Golden Ass* Apuleius, 2007-09-15 Relihan uses alliteration and assonance rhythm and rhyme the occasional archaism the rare neologism and devices of punctuation and typography to create a sparkling luxurious and readable translation that reproduces something of the linguistic and comic effects of the original Latin The general Introduction is a masterpiece of clarity orienting the reader in matters of authorship narration genre religion structure and style A generous and browsable index select bibliography and maps are included **The Tale of Lucius; or, The Ass (Onos)** Joel C. Relihan, 2023-03-01 An anonymous Greek reworking doubtfully attributed to Lucian of the lost anonymous Greek Metamorphoseis falsely attributed to Lucius of Patras An American translation by Joel C Relihan Professor of Classics Wheaton College Norton Massachusetts available as a free eBook from Hackett Publishing Company

The Fortunes of Apuleius and the Golden Ass Julia Haig Gaisser, 2008 This book traces the transmission and reception of one of the most influential novels in Western literature The Golden Ass the only ancient Roman novel to survive in its entirety tells of a young man changed into an ass by magic and his bawdy adventures and narrow escapes before the goddess Isis changes him back again Its centerpiece is the famous story of Cupid and Psyche Julia Gaisser follows Apuleius racy tale from antiquity through the sixteenth century tracing its journey from roll to codex in fourth century Rome into the medieval library of Monte Cassino into the hands of Italian humanists into print and finally over the Alps and into translation in Spanish French German and English She demonstrates that the novel's reception was linked with Apuleius reputation as a philosopher and the persona he projected in his works She relates Apuleius and the Golden Ass to a diverse cast of important literary and historical figures including Augustine Fulgentius Petrarch Boccaccio Bessarion Boiardo and Beroaldo Paying equal attention to the novel's transmission how it survived and its reception how it was interpreted she places the work in its many different historical contexts examining its representation in art literary imitation allegory scholarly commentary and

translation The volume contains several appendixes including an annotated list of the manuscripts of the Golden Ass This book is based on the author s Martin Classical Lectures at Oberlin College in 2000 **The Literary World** ,1870 The Life of Niccolò Machiavelli (Routledge Library Editions: Political Science Volume 26) Roberto Ridolfi,2013-06-17 This biography of Macchiavelli is widely regarded as Ridolfi s masterpiece and is based on much material drawn from private and public archives It presents a fresh interpretation of Macchiavelli s career and writings and here for example the dating of the composition of such famous works as the Prince and the Mandragola is established for the first time This English translation when originally published in 1963 included numerous correction and additions which brought it up to date with the most recent studies on Macchiavelli and his works *The Wild Ass's Skin* Honoré de Balzac,2012-06-14 Set in early 19th century Paris it tells the story of a young man who finds a magic piece of shagreen that fulfills his every desire For each wish granted however the skin shrinks and consumes a portion of his physical energy **The Publishers' Circular and Booksellers' Record** ,1921 The Ancient Romances Ben E. Perry,2023-07-28 This title delves into the origins and development of ancient romance literature expanding upon a series of lectures given by Ben Edwin Perry at the University of California in 1951 This scholarly work examines the romance genre s historical foundations and explores two main branches the ideal romance of love and adventure and the comic romance a form characterized by satire mockery and picaresque elements In Part I Perry addresses the ideal romance a popular form among the masses centered on idealized narratives of love and adventure He traces its evolution emphasizing the genre s widespread appeal and the continuity in its demand throughout the ancient world By addressing key literary historical questions Perry brings to light the genre s foundational aspects situating it within broader cultural and social contexts Part II shifts focus to comic romances distinct for their humorous satirical tone and their appeal to a more elite educated audience Perry explores works by writers like Petronius Lucian and Apuleius analyzing how their unique perspectives and sophisticated storytelling approaches diverge from the more traditional ideal romances Unlike ideal romances comic romances are marked by individual authors intentions and personal motives leading to distinctive interpretations and varied narrative styles By distinguishing between these genres and examining their respective conventions Perry offers insights into the interplay between narrative forms and cultural expectations contributing a significant perspective on the evolution of ancient romance literature and its lasting influence on modern narrative structures This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1967 **Shakespeare's Medieval Craft** Kurt A. Schreyer,2014-08-01 In Shakespeare s Medieval Craft Kurt A Schreyer explores the relationship between Shakespeare s plays and a tradition of late medieval English biblical drama known as mystery plays Scholars of English theater have long

debated Shakespeare's connection to the mystery play tradition but Schreyer provides new perspective on the subject by focusing on the Chester Banns a sixteenth century proclamation announcing the annual performance of that city's cycle of mystery plays Through close study of the Banns Schreyer demonstrates the central importance of medieval stage objects as vital and direct agents and not merely as precursors to the Shakespearean stage As Schreyer shows the Chester Banns serve as a paradigm for how Shakespeare's theater might have reflected on and incorporated the mystery play tradition yet distinguished itself from it For instance he demonstrates that certain material features of Shakespeare's stage including the ass's head of *A Midsummer Night's Dream* the theatrical space of Purgatory in *Hamlet* and the knocking at the gate in the Porter scene of *Macbeth* were in fact remnants of the earlier mysteries transformed to meet the exigencies of the commercial London playhouses Schreyer argues that the ongoing agency of supposedly superseded theatrical objects and practices reveal how the mystery plays shaped dramatic production long after their demise At the same time these medieval traditions help to reposition Shakespeare as more than a writer of plays he was a playwright a dramatic artisan who forged new theatrical works by fitting poetry to the material remnants of an older dramatic tradition

Shakespeare Survey Kenneth Muir, Jonathan Bate, Michael Dobson, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback

The Comparative Anatomy of the Domesticated Animals Auguste Chauveau, 1898 New American Supplement to the Latest Edition of the Encyclopædia Britannica, 1898 New American Supplement to the Latest Edition of the Encyclopedia Britannica Day Otis Kellogg, 1900 *Nuclear Science Abstracts*, 1970

Meeting the Foreign in the Middle Ages Albrecht Classen, 2002-04-12 This collection brings together an outstanding group of historical cultural and literary scholars to investigate the complicated nuanced and often surprising union and desire and dread associated with the figure of the foreign Other in the Middle Ages represented variously by Muslims Jews heretics pagans homosexuals lepers monsters and witches Exploring the diverse manifestations of the foreign in medieval literature historical documents religious treatises and art these essays mine the traces of unprecedented encounters in which fascination and fear meet

New American Supplement to the Latest Edition of the Encyclopaedia Britannica, a Standard Work of Reference in Art, Literature, Science, History, Geography, Commerce, Biography, Discovery and Invention, 1897 *Children's Literature* Charles Madison Clippinger, Erle Elsworth Curry, 2018-09-20 Reproduction of the original *Children's Literature* by Charles Madison Curry Erle Elsworth Clippinger
