Legends of the Jungle Mark Powell,2017-03-24 Boomer Esiason still holds the Cincinnati Bengals record for most passing yards in a game and is tied for the most 300 yard passing games Jim Breech is the teams all time leading scorer in points and remains a beloved figure more than twenty years after his retirement Cris Collinsworth led the team in receptions

and receiving yards several times in the 1980s and topped the team in receiving touchdowns three times. But these great players and many others aren't in the Bengals Hall of Fame and it's for a simple reason. It does not exist. That needs to change according to die-hard fan Mark Powell. By creating its own Hall of Fame or Ring of Honor, the team would be paying tribute to its great players and personalities. But it would need to determine who is eligible and who should be honored first. Get a detailed look at one of the NFL's most interesting franchises, discover its rich history, and decide for yourself who deserves to be among the Legends of the Jungle. *Pittsburgh's Greatest Teams* David Finoli, 2017-10-30 Pittsburgh is synonymous with winning. From the Penguins and Steelers to the Pirates and Panthers, the Steel City knows championships. There must be something special in the water to make Pittsburgh so particularly gifted with its sports teams. The most famous teams in the city's history would most likely be the 1970s Steelers, known as the Steel Curtain for obvious reasons, and the Penguins, who raised the Stanley Cup five times. Names such as Lemieux, Crosby, Roethlisberger, Bradshaw, Clemente, and Stargell are legends of American sport and members of Pittsburgh's most cherished franchises, but for every sports legend and multi-million-dollar franchise, there are a dozen more talented players and long past teams that have been forgotten to history. The Negro League's Crawford and Homestead Grays are too often overlooked in the city's sports history but were as talented as any team that has played there. Author Dave Finoli ranks the fifty greatest teams that won trophies, brought glory, and lifted the hearts of Pittsburgh's devoted sports fans. *Handbook of Systems Engineering and Risk Management in Control Systems, Communication, Space Technology, Missile, Security and Defense Operations* Anna M.
