EASYUNI Ultimate University Guide 2015-2016 EasyUni, By the time you get your hands on this magazine a wave of changes is expected to happen tension of the recent SPM exams would have plummeted as the holiday spirit envelops us and while everything is bright and merry some of you could be at the FACON Education Fair in KLCC this December deciding which course to take whilst silently hoping you get aces on your actual SPM results nagging thoughts you would rather muffle with the latest Star Wars movie or New Year's dinner party Nerve wracking it is change is exciting It's a cycle that all of us operate in and that's totally fine as I've been there too Taking over the magazine with a fresh team of young writers was a tough experience but it was a great opportunity to decide and flesh out new ideas Thoughts of failing trouble our minds but those are the very things that hinder us from growing After having said that I would encourage all of you to be recipe for change Don't be afraid to cook up some trouble

New Political Economy of Energy in Europe Jakub M. Godzimirski, 2018-09-21 This edited collection details and analyses the dramatic changes that the international political economy of energy has undergone in the past decade This change began with the increasing assertiveness of Russia when the oil price rose above the 100 mark in 2008 This combined with the rise of shale

oil and gas made the USA all but self sufficient in terms of fossil fuels The collapse of the oil price in 2014 15 Saudi Arabia s new strategy of defending its market share and the increasingly tense and controversial relationship between the West and Russia all worked to further strengthen the geopolitical dimension of energy in Europe The global result is a world in which geopolitics play a bigger part than ever before the central question the authors of this volume grapple with is how the EU and European small states can deal with this Chapter 4 of this book is available open access under a CC BY 4 0 license at link.springer.com
