UNIVERSITY OF WASHINGTON APPLICATION SAMPLE

What would you say your best talent is, and why?

When I was a child, I always wanted to be the best at something, and was in constant envy of my friends when they won competition after competition. Of course, I signed up for all of those classes – I trudged through two weeks of ballet, three months of karate, five days of painting, and two sessions of a cooking course before realizing that while I could be decent if I applied myself, I was just not going to be the best at everything. My parents encouraged my adventures and would always watch amusedly as I prepared myself to be the world's next greatest connoisseur of some new activity. Through this I learned that one of my best talents is my sense of humor.

Seeing people succeed all around you while not being able to break through into that range is frustrating, but it showed me that I could either be bitter or I could face the situation with good humor and continue to work on improving myself. I definitely experienced several years of the former before I gradually came around to the latter option, and I have never looked back. My parents always kept repeating that "there's always tomorrow, if you want there to be", and their positive outlook on life has enabled me to get through many situations that I otherwise would have given up on.

My sense of humor has enabled me to do many things that has surprised even myself. During our junior year of high school, my friend and I both entered into a robotics competition to build a robot that could sense the object it was carrying and adjust its arms accordingly. Another contestant burst into tears when her robot accidentally dropped the item, and was too inconsolable to make any fixes. When it came to be my turn, the arm on my robot fell off, and I responded with a laugh and asked if I could perform open heart surgery on my robot. That earned a chuckle from the judges, and upon fixing my creation, I actually won the competition. This experience taught me that a positive outlook and a sense of humor will win you many opportunities in life, and will also keep you happy to boot.
