## Unwinnable Weekly Issue 21:

Unwinnable Weekly Issue 21 Stu Horvath, Owen Smith, Steve Haske, 2014-10-31 Since 2010 Unwinnable has been a showcase for weird experimental poignant funny and iconoclastic stories We're devoted to examining the intersection of the culture we love and the lives we lead Unwinnable wants to bring you the best in pop culture criticism creative non fiction and the occasional serialized fiction once a week in a beautiful digital magazine Unwinnable is life with culture Ethan Sacks laments the state of the modern big budget horror film spoiler alert director Guillermo Del Toro appears in a cameo Jill Scharr brings her parents to a haunted house based on 1980s era New York City Ed Coleman doesn't like horror movies and reveals the 1988 s The Lady in White is the reason why Stu Horvath does some revealing too namely why he dislikes Halloween costumes Finally Gus Mastrapa talks to Nate Hayden designer of the awesomely gruesome board game Psycho Raiders Nate's collaborator artist Mat Brinkman is responsible for our grisly cover art A special thanks to the both of them for letting us reprint it And speaking of art I've thrown in a monstrous photograph and Chris Martinez and Amber Harris collaborated on a cheeky bit of Halloween art No matter what your taste Unwinnable Weekly has you covered so make sure to check out our selection of back issues today

**The Strand Magazine**, 1903 *Social Problems in a Free Society* Myles J. Kelleher, 2004-09-02 The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems This book calls for the rethinking of the culture of social political and economic liberty to create a resurgence of a sociological agenda Social Problems in a Free Society offers an original perspective on social problems such as violations of the principles of individual rights and the free market This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory

**Unwinnable** Theo Farrell, 2017-09-07 Afghanistan was an unwinnable war As British and American troops withdraw discover this definitive account that explains why It could have been a very different story British forces could have successfully withdrawn from Afghanistan in 2002 having done the job they set out to do to defeat al Qaeda Instead in the years that followed Britain paid a devastating price for their presence in Helmand province So why did Britain enter and remain in an ill fated war Why did it fail so dramatically and was this expedition doomed from the beginning Drawing on unprecedented access to military reports government documents and senior individuals Professor Theo Farrell provides an extraordinary work of scholarship He explains the origins of the war details the campaigns over the subsequent years and examines the West's failure to understand the dynamics of local conflict and learn the lessons of history that ultimately led to devastating costs and repercussions still relevant today The best book so far on Britain's war in Afghanistan International Affairs Masterful irrefutable Farrell records all these military encounters with the irresistible pace of a novelist Sunday Times

**The Strand Magazine** Sir George Newnes, 1903 **Air Force Magazine**, 2004 *Parliamentary Papers* Great Britain. Parliament. House of Commons, 1870 **Reports from Commissioners** Great Britain. Parliament.

House of Commons,1871      **Military History Supremo** Joan Beaumont,Garth Pratten,2025-06-12 Professor Emeritus David Horner AM FASSA is one of Australia s greatest military historians and its fifth official historian of war and military operations Few who undertake research in the field can do so without consulting his prodigious authoritative and definitive publications Serving for 25 years in the Australian Army before joining The Australian National University Horner is the epitome of the soldier scholar and has played a key role in establishing military history as an academic discipline in Australia This volume honours Horner s long career of service to history and the nation Authors pay tribute to Horner s legacy by engaging with his scholarship applying his conclusions to new case studies and contexts reflecting and expanding on the subjects he addressed and the methodologies he employed and pushing the boundaries of the discipline he was instrumental in founding The breadth of Horner s research is demonstrated by the subjects and themes they address including strategic planning and policy command multinational operations intelligence and defence policy *Military History Supremo* both underscores Horner s contribution to Australia s military and intelligence history and highlights the vibrancy and relevance of the field today      *Afghanistan's Violent Decades* Stanley B. Sprague,2024-10-24 This book examines the key political and military events in Afghanistan from 1978 to August 2021 It covers the Afghan Soviet war and how that war was followed by an Afghan Civil War that made the country receptive to the rise of the Afghan Taliban It explains how the Taliban secured control of Afghanistan s government and permitted Osama bin Laden to reside in the country while he secretly planned an attack on the American mainland It also covers why Osama bin Laden s al Qaeda terrorists on September 11 2001 flew hijacked airliners into New York City s World Trade Center and the Pentagon It describes how American and NATO forces responded by invading Afghanistan to destroy al Qaeda and to overthrow the Taliban government The 20 year Afghan NATO war which followed would lead to American troops suffering 2 488 dead and 20 722 wounded This book is one of the first to cover this long war written after the war ended in August 2021 giving it a new perspective It offers an even handed coverage of the war based on Taliban American and British sources      *A Treatise on Northern Ireland, Volume II* Brendan O'Leary,2019-04-17 This landmark synthesis of political science and historical institutionalism is a detailed study of antagonistic ethnic majoritarianism Northern Ireland was coercively created through a contested partition in 1920 Subsequently Great Britain compelled Sinn F in s leaders to rescind the declaration of an Irish Republic remain within the British Empire and grant the Belfast Parliament the right to secede If it did so a commission would consider modifying the new border The outcome however was the formation of two insecure regimes North and South both of which experienced civil war while the boundary commission was subverted In the North a control system organized the new majority behind a dominant party that won all elections to the Belfast parliament until its abolition in 1972 The Ulster Unionist Party successfully disorganized Northern nationalists and Catholics Bolstered by the Specials a militia created from the Ulster Volunteer Force this system displayed a pathological version of the Westminster model of democracy which may reproduce

one party dominance and enforce national ethnic religious and cultural discrimination How the Unionist elite improvised this control regime and why it collapsed under the impact of a civil rights movement in the 1960s take center stage in this second volume of A Treatise on Northern Ireland The North s trajectory is paired and compared with the Irish Free State s incremental decolonization and restoration of a Republic Irish state building however took place at the expense of the limited prospect of persuading Ulster Protestants that Irish reunification was in their interests or consistent with their identities Northern Ireland was placed under British direct rule in 1972 while counter insurgency practices applied elsewhere in its diminishing empire were deployed from 1969 with disastrous consequences On January 1 1973 however the UK and Ireland joined the then European Economic Community Many hoped that would help end conflict in and over Northern Ireland Such hopes were premature Northern Ireland appeared locked in a stalemate of political violence punctuated by failed political initiatives

**Unlocking the Bible Story: New Testament Volume 4** Colin S. Smith, 2016-12-01 For all who are wondering how the pieces fit into the jigsaw of God s revelation Colin Smith has provided an answer which is refreshingly simple biblically accurate and will prove phenomenally helpful to the serious Bible student and the new beginner alike Alistair Begg senior pastor Parkside Church In Unlocking the Bible Story Colin Smith moves gradually through portions of the Bible to unfold its narrative and explain major themes In volume 4 he moves through the New Testament epistles which contain the most crystalized expression of Christian theology and practice Christ is the crux of the entire Bible story from the first page to the last Volume 4 encourages and strengthens readers to discover the life changing truth of the gospel as articulated in the New Testament epistles Includes the study guide formerly sold separately One of the most urgent needs in the church today is for a crisp and comprehensive knowledge of the Bible s storyline To grasp how the sacred history moves from Genesis to Revelation not only brings fresh insight into how the Bible hangs together and what each part contributes to the whole but also is crucial for developing a Christian worldview Colin Smith has met these needs admirably I hope these volumes will circulate widely and be read and re read D A Carson research professor New Testament at Trinity Evangelical Divinity School cofounder of The Gospel Coalition [Air University Library Index to Military Periodicals](#), 1999

**Sex, Lies and the Ballot Box** Philip Cowley, 2014-10-28 HAVE YOU EVER WONDERED what emotions really influence where your cross goes on the ballot paper whether people are claiming to vote when they haven t which party s supporters are the kinkiest in bed In the run up to the most hotly contested and unpredictable election in a generation this exhilarating read injects some life back into the world of British electoral politics Sex Lies and the Ballot Box sheds light on some of our more unusual voting trends ranging from why people lie about voting to how being attractive can get you elected Each of the fifty accessible and concise chapters written by leading political experts seeks to examine the broader issues surrounding voting and elections in Britain It is not just about sexual secrets and skewed surveys it illustrates the importance of women and ethnic minorities explains why parties knock on your door and why they don t and shows how partisanship colours your views

of everything even pets This fascinating volume covers everything you need to know and the things you never thought you needed to know about the bedroom habits political untruths and voting nuances behind the upcoming election This book is such an utterly brilliant idea it is ridiculous that no one has thought of it before I cannot recommend it highly enough John Rentoul

*The Road to War in Iraq: Comparative Foreign Policy Analysis* Chris Featherstone, 2025-04-09 This book combines three Foreign Policy Analysis FPA models to explain both how and why the US and UK decided to invade Iraq in 2003 These three FPA models each examine a different but closely related aspect of the individual level of decision making Firstly Groupthink examines how pathologies of small group decision making affected the processes in the US and UK decision to invade Iraq Secondly the Leadership Style framework examines how the individual leader's style of exercising their leadership affected the navigation of the decision making process Thirdly analogical reasoning examines how decision makers frame their actions both in their own decision making and in how they present their decision to the wider public By achieving these objectives *The Road to War* contributes to the field of FPA and to our understanding of how the decision to invade Iraq was taken The comparative use of these FPA models within a single framework means that this book responds to the calls for multifactorial research within FPA proposing and testing a framework that provides more complex answers through adopting a multifactorial framework These more nuanced complex answers then reveal more about the role of the individuals involved in the decision to invade Iraq and how their cognition affected the process that led to the decision to invade

**Bulletproof** Jack Posobiec, Joshua Lisec, 2024-10-22 From New York Times Bestselling Authors of *Unhumans* Jack Posobiec and Joshua Lisec *The Unanswered Questions of the Most Consequential Summer in American Political History* We the people of the United States have questions And we deserve answers **Bulletproof** *The Truth about the Assassination Attempts on Donald Trump* is the first complete preliminary investigative report on the attempted assassination of President Donald J Trump that occurred on July 13 2024 at 6 11 p m Eastern Daylight Time in Butler PA USA **Bulletproof** reconstructs a minute by minute parallel timeline of each step of that fateful July day for President Trump law enforcement agencies and the would be assassin and digs deeper than the official narrative asking uncomfortable questions about how this event occurred and going deeper than mainstream media ever will In addition **Bulletproof** breaks new and exclusive stories from an independent private investigator team commissioned by the authors into the hidden life of shooter Thomas Matthew Crooks and also breaks new ground digging into the best kept secret details of how the failed hit on Trump dominoed into a palace coup of a sitting US president Posobiec and Lisec bring the receipts **Bulletproof** is also first to cover the assassination attempt that occurred two months later on September 15 2024 at 1 30 p m EDT at Trump International Golf Club in West Palm Beach FL USA The book curates what is known about the would be shooter Ryan Wesley Routh and his complex ties to shadowy foreign fighter operations May this public record serve the American people and those of the world who seek answers question narratives and hold all perpetrators accountable for their sins Truth and justice will prevail Presidential

Rhetoric on Terrorism under Bush, Obama and Trump Gabriel Rubin, 2020-03-21 Through the analysis of eighteen years of presidential data this book shows how Presidents Bush Obama and Trump have conducted and framed the war on terror since its inception in 2001 Examining all presidential speeches about terrorism from George W Bush s two terms as President Barack Obama s two terms as President and Donald Trump s first year as President this book is the first to compare the three post 9 11 presidents in how they have dealt with the terror threat Presidential Rhetoric on Terrorism under Bush Obama and Trump argues that when policies need to be sold to the public and Congress presidents make their pertinent issues seem urgent through frequent speech making and threat inflation It further illustrates how after policies are sold a new President s reticence may signify quiet acceptance of the old regime s approach After examining the conduct of the war on terror to date it concludes by posing policy suggestions for the future

**Military Strategy of Great Powers** Håkan Edström, Jacob Westberg, 2021-09-20 This book explores the military strategies of the five system determining great powers during the twenty first century The book s point of departure is that analyses of countries defence strategies should acknowledge that states come in various shapes and sizes and that their strategic choices are affected by their perceptions of their position in the international system and by power asymmetries between more and less resourceful states This creates a diversity in strategies that is often overlooked in theoretically oriented analyses The book examines how five major powers the United States China the United Kingdom France and Russia have adjusted their strategies to improve or maintain their relative position and to manage power asymmetries during the twenty first century It also develops and applies an analytical framework for exploring and categorising the strategies pursued by the five major powers which combines elements of structural realism with research on power transition theory and status competition The concluding chapter addresses questions related to stability and change in the present international system This book will be of interest to students of strategic studies foreign policy and International Relations

The Russian Military into the 21st Century Stephen J. Cimbala, 2013-10-23 This work attempts to clarify the major problems facing Russia s armed forces in the present and immediate future It covers threats from terrorists break away republics and threats from outside Russia s borders The book also includes political and economic problems facing the military
