Sheer Madness From Federal Prosecutor To Federal Prisoner:

Sheer Madness Andrew McKenna, 2014-11-02 A successful man's maniacal descent into emotional hell Following repeated losses in family court estrangement from his young sons and the resulting depression he checks himself into the psychiatric ward Five months later he is indicted by a Federal Grand Jury for crimes that could put him in prison for 20 years Sheer Madness is a story of love anguish the fog of human experience and the promise of resilience Back cover **Sheer Madness - Educational Edition** Andrew McKenna, 2015-12-10 Educational Edition It will change you You will never be the same At just 16 years of age when a grizzled Californian drug dealer spoke those words of warning there was no way Andrew McKenna could know that a few decades later while embroiled in a losing custody battle heroin would become the most seductive and destructive force in his life Raised in Schenectady New York Andrew's upbringing sounds familiar Little League baseball scraps with boys from the neighborhood parties road trips But below the surface Andrew always felt different detached somehow and constantly wondering how he fit in the bigger picture always just steps from the mire of existential crisis Then at the urging of one of his older brothers he joins the military Next is law school followed by training with the Marines and before he knows what's hit him this once aimless boy from modest roots is rapidly rising through the ranks as an attorney for the U S Justice Department But years of untreated emotional distress combined with the physical toll of the military eventually lead him down a dark path one riddled with prescription medication alcohol divorce the loss of contact with his sons and ultimately crime Sheer Madness is a reflection and a reminder A reflection on Andrew's multifaceted life one of great ambition and success but also great tragedy and a reminder that regardless of one's personal background life can be a slippery slope and while the ride down can be exhilarating it's the climb back up that truly defines us **Sheer Madness** Greg Abbott, 2023-07-25 Sheer Madness picks up where its prequel Sheer Pressure leaves off only on higher octane and with higher life and death stakes It follows the evolution of Alex and Emily as their once scandalous love affair feathers its way into the Upper East Side Manhattan mainstream jungle That is where their lives really begin and where the reader learns who they really are and what they're made of A gripping 20 year family saga Sheer Madness takes the reader to unexpected realms as a couple with its roots in idealistic love endures a slew of harrowing experiences in schools and boardrooms hospitals and cafés courtrooms and prison all under the shadow of a well-financed black magic curse All these venues are captured by Greg Abbott with a true savant's perspective in a fast-paced highly readable tale that nonetheless fits together like a grand jigsaw puzzle Challenges tragedies and surprises abound in marriage education high finance child rearing near death illness the occult rap music the media and prison As the characters develop in fascinating unforeseen directions and discover their true destinies for better or for worse the reader is treated to a large and delectable story chock full of tragedy intrigue humor injustice vengeance betrayal redemption and always the unexpected In the end through all the breathless tribulations Sheer Madness is about the triumph of love and the human spirit **FBIS Daily**
