

PSALM 23

The Lord is my Shepherd:
I SHALL NOT WANT.

He Maketh me to lie down
IN GREEN PASTURES : HE LEADETH ME
BESIDE THE STILL WATERS.

He Restoreth my Soul. He leadeth me
IN THE PATHS OF RIGHTEOUSNESS
FOR HIS NAME'S SAKE.

Yea, though I walk through the Valley
OF THE SHADOW OF DEATH, I WILL FEAR
NO EVIL: FOR THOU ART WITH ME ; THY ROD
AND THY STAFF THEY COMFORT ME.

Thou preparest a table before me
IN THE PRESENCE OF MINE ENEMIES :
THOU ANOINTEST MY HEAD WITH OIL ;
MY CUP RUNNETH OVER.

Surely Goodness and Mercy shall follow
ME ALL THE DAYS OF MY LIFE : AND I WILL DWELL
IN THE HOUSE OF THE LORD FOR EVER.

Psalm23 Book jacket **Psalms 1-44** Abraham Kuruvilla,2024-03-04 This three volume commentary on the Psalms engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the psalms in the Psalter to craft effective sermons It unpacks the crucial link between Scripture and application the theology of each preaching text psalm what the author is doing with what he is saying in each psalm is explored and explicated While the primary goal of the commentary is to take the preacher from text to theology it also provides a sermon outline for each of the preaching units in the Psalms The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching from the Psalter with an emphasis on application *It's All About Jesus!* Peter M. Magolda,Kelsey Ebben Gross,2023-07-03 What is it like to be a collegian involved in a Christian organization on a public college campus What roles do Christian organizations play in the lives of college students enrolled in a public college What are evangelical student organizations political agendas and how do they mobilize members to advance these agendas What is the optimal equilibrium between the secular and the sacred within public higher education What constitutes safe space for evangelical students and who should provide this space This book presents a two year ethnographic study of a collegiate evangelical student organization at a public university authored by two non evangelicals The authors provide a glimpse into the lives of college students who join evangelical student organizations and who subscribe to an evangelical way of life during their college years They offer empirically derived insights as to how students participation in a homogeneous evangelical student organization enhances their satisfaction of their collegiate experience and helps them develop important life lessons and skills Ironically while Christian students represent the religious majority on the campus under study Christian organizations on this campus mobilize members by capitalizing on members shared sense of marginalization and position themselves as cultural outsiders This evangelical student organization serves as a safe space for students to express their faith within the larger secular university setting The narratives and interpretations aim not only to enrich understanding of a particular student organization but more importantly to spark intellectual discourse about the value of faith based organizations within public higher education The role of religion in public higher education student involvement in the co curriculum and peer education are three examples of critical issues in higher education for which this idiosyncratic case study offers broad understanding It s All About Jesus targets multiple audiences both sacred and secular For readers unfamiliar with evangelical collegiate organizations and the students they serve the authors hope the narratives make the unfamiliar familiar and the dubious obvious For evangelicals the authors hope that the thickly described narratives not only make the familiar familiar and the obvious obvious but also uncover the tacit meaning embedded in these familiar but seldom examined subculture rituals The authors hope this book spurs discussion on topics such as campus power and politics how organizations interact with the

secular world around them and how members can improve their organizations Additionally this text urges secular readers in student affairs to consider the many benefits as well as liabilities of parachurches as co curricular learning sites on campus Lastly given that the authors lay bare their methodology their use of theory and the tensions between their perspectives and those of the participants this book will serve as a compelling case study for courses on qualitative research within religion studies anthropology sociology and cultural studies fields
