Thwarted Thespian Heather Edwards, 2024-01-08 The director threw himself into a seat in the front row of the theater before hollering Start at the beginning of the play That s when the magic happened The thick red curtains swept apart and suddenly we were looking at 221B Baker Street It was just as I d imagined it there were two chairs in front of a fireplace a skull sitting on the mantelpiece next to a stack of letters that had been stabbed into the wood with a knife There was even a violin sitting on one of the chairs And then Sherlock Holmes The Great Detective himself came onstage wearing a swirling cape and deerstalker hat Beside me Sherlock s eyes widened Watson do you know what this means he whispered No I whispered back What It means Sherlock gasped that Sherlock Holmes is real And once again the game was afoot
