Holmes in the 21st Century Magda Jozsa, 2014-11-01 Sherlock Holmes in the 21st Century is a unique Holmes and Watson story comprised of 3 parts In Book One Holmes steps into a strange fog shimmering in an alley just off Baker Street little realizing the consequences of his curiosity Watson naturally follows It doesn't take them long to realize they're not in their own century anymore Holmes is fascinated Watson worried but things start looking up when they come across lodgings for rent by none other than Wiona Hudson They take that as a sign When they are visited by Inspector Georgina Lestrade from Scotland Yard a descendent of the Lestrade they know so well Holmes starts to suspect that their arrival in the year 2000 was not a trick of nature Before long they meet the head of British Intelligence who is none other than a clone of Mycroft called Morelock The royal family is being terrorized by Moriarty's clone and only Holmes can stop him Morelock is killed but is replaced by the next Mycroft clone in line Myron Book Two The Moriarty Gene Unbeknownst to Holmes and Watson they left behind a little something when they returned home Those little somethings turn out to be Holmes son Sherlock Holmes Lestrade and Watson's daughter Joan Watson Hudson who use their cunning to trick Myron into showing them the time machine and explaining how it works They break into the top secret facility and go back to 1892 to meet their fathers Meantime back in 2022 a secret laboratory is discovered by the secret service and imperfect clones of Moriarty are found The clones had been programmed to clone themselves with unfortunate results However one clone less disabled than the rest invents a device that can piggyback off the time machine and transport him to the past to get new DNA from the original James Moriarty himself Once again Holmes is called upon to prevent a cloned Moriarty from wreaking havoc and to retrieve the piggyback device This time he has the able assistance of his son and Watson's daughter as well as Watson Book Three Mycroft's Galore The remaining three Mycroft clones in stasis are struck by lightning they are activated and emerge from their chambers When these clones learn they are to be terminated they steal the piggyback device and flee the century Sherlock Junior discovers that their cells are in a state of flux which affects their characters It is up to them to track them down and either return them or terminate them especially as one of the clones is kill crazy and has already killed Myron Once again they return to the past and enlist Holmes and Watson's help in tracking them down and this time even the original Mycroft gets involved with disastrous consequences

Murder in a Few Words Charlotte Beyer, 2022-02-22 The clue puzzle legal thriller and classic whodunit are just a few of the subgenres within the widely popular crime fiction genre However despite its popularity among readers the crime short story genre has yet to be fully explored by scholars This book offers a deep dive into crime short stories written by a wide range of authors tracing the history and evolution of the crime short story The book offers an accessible and original examination of crime short stories focusing on compelling themes such as miscarriage of justice feminism environmental crime and toxic masculinity

Handbook of Intermediality Gabriele Rippl, 2015-07-24 This handbook offers students and researchers compact orientation in their study of intermedial phenomena in Anglophone literary texts and cultures by introducing them to current academic debates theoretical concepts

and methodologies By combining theory with text analysis and contextual anchoring it introduces students and scholars alike to a vast field of research which encompasses concepts such as intermediality multi and plurimediality intermedial reference transmediality ekphrasis as well as related concepts such as visual culture remediation adaptation and multimodality which are all discussed in connection with literary examples Hence each of the 30 contributions spans both a theoretical approach and concrete analysis of literary texts from different centuries and different Anglophone cultures

Family Relationships in Contemporary Crime Fiction Bill Phillips, 2019-04-23 Behind every crime novel there is a family The author s the hero s or the heroine s and that of the villains themselves Some families organise themselves into crime syndicates controlling drugs prostitution and illegal gambling Others are simply dysfunctional tearing themselves apart fathers against sons mothers against daughters sisters against brothers husbands against wives Not everyone escapes alive However families do not exist in a vacuum They are an important part of our society for many one of its most essential building blocks That being said society itself can impinge disastrously on personal relationships War that greatest of crimes leaves children bereft of parents Generations of children are stolen by cynical racist administrators in supposedly civilised countries Religion requires its followers to flourish and multiply while abandoning all including family for their faith All of these issues and more are explored in this collection of essays about crime fiction and the family

The Best Murders Are British Jim Daems, 2020-08-07 A staple of television since the early years of the BBC British crime drama first crossed the Atlantic on public broadcasting stations and specialty cable channels and later through streaming services Often engaging with domestic anxieties about the government s power or lack thereof and with larger issues of social justice like gender equality racism and homophobia it has constantly evolved to reflect social and cultural changes while adapting U S and Nordic noir influences in a way that retains its characteristically British elements This collection examines the continuing appeal of British crime drama from The Sweeney through Sherlock Marcella and Happy Valley Individual essays focus on male melodrama nostalgia definitions of community gender and LGBTQ representation and neoliberalism The persistence of the English murder as each chapter of this collection reveals points to the complexity of British crime drama s engagement with social political and cultural issues It is precisely the mix of British stereotypes coupled with a willingness to engage with broader global social and political issues that makes British crime drama such a successful cultural export

Exploring the Spatiality of the City across Cultural Texts Martin Kindermann, Rebekka Rohleder, 2020-10-19 Exploring the Spatiality of the City across Cultural Texts Narrating Spaces Reading Urbanity explores the narrative formations of urbanity from an interdisciplinary perspective Within the framework of the spatial turn contributors from disciplines ranging from geography and history to literary and media studies theorize narrative constructions of the city and cities and analyze relevant examples from a variety of discourses media and cities Subdivided into six sections the book explores the interactions of city and text as well as other media and the conflicting narratives that arise in these interactions Offering case studies that discuss

specific aspects of the narrative construction of Berlin and London the text also considers narratives of urban discontinuity and their theoretical implications Ultimately this volume captures the narratological artistic material social and performative possibilities inherent in spatial representations of the city The Fanfiction Reader Francesca Coppa,2017-03-02 Written originally as a fanfiction for the series Twilight the popularity of Fifty Shades of Grey has made obvious what was always clear to fans and literary scholars alike that it is an essential human activity to read and retell epic stories of famous heroic characters The Fanfiction Reader showcases the extent to which the archetypal storytelling exemplified by fanfiction has continuities with older forms the communal tale telling cultures of the past and the remix cultures of the present have much in common Short stories that draw on franchises such as Star Trek Star Wars Doctor Who James Bond and others are accompanied by short contextual and analytical essays wherein Coppa treats fanfiction a genre primarily written by women and minorities as a rich literary tradition in which non mainstream themes and values can thrive **21st-Century Gothic** Danel Olson,2011 Selected by a poll of more than 180 Gothic specialists creative writers professors critics and Gothic Studies program developers at universities the fifty three original works discussed in 21st Century Gothic represent the most impressive Gothic novels written around the world between 2000 2010 The essays in this volume discuss the merits of these novels highlighting the influences and key components that make them worthy of inclusion Many of the pioneer voices of Gothic Studies as well as other key critics of the field have all contributed new essays to this volume including David Punter Jerrold Hogle Karen F Stein Marie Mulvey Roberts Mary Ellen Snodgrass Tony Magistrale Don D Ammassa Mavis Haut Walter Rankin James Doig Laurence A Rickels Douglass H Thomson Sue Zlosnik Carol Margaret Davision Ruth Bienstock Anolik Glennis Byron Judith Wilt Bernice Murphy Darrell Schweitzer and June Pulliam The guide includes a preface by one of the world s leading authorities on the weird and fantastic S T Joshi Sharing their knowledge of how traditional Gothic elements and tensions surface in a changed way within a contemporary novel the contributors enhance the reader s dark enjoyment emotional involvement and appreciation of these works These essays show not only how each of these novels are Gothic but also how they advance or change Gothicism making the works both irresistible for readers and establishing their place in the Gothic canon **James Bond in the 21st Century** Glenn Yeffeth,Leah Wilson,2009-06-22 The staying power of the world s most dashing secret agent and the evolution of the James Bond franchise are explored in this smart yet nostalgic collection of essays Leading writers including Raymond Benson J A Konrath Raelynn Hillhouse and John Cox discuss the ten sexiest Bond girls the best villains and the controversy surrounding the latest actor to play James Bond Topics covered range from the playful how to build a secret lair and avoid the perennial mistakes made by would be world dominators to the thought provoking such as Bond s place in the modern world his Oedipal tendencies and perceived misogyny and the unerring allure of the charming spy Teaching in the 21st Century Alice Robertson,Barbara Smith,2002-05-03 The essays in this book argue that the active learning strategies that teachers trained in composition use for their literature courses can

be exported to other disciplines to enhance both teacher performance and student learning The book provides and explains examples of those strategies and illustrates how they have been effectively used in other disciplines

Theoretical Perspectives on Fan Scholarship in the Franchise Era Sophie Charlotte Goor, 2025-10-01 This book is a practical and theoretical guide for anyone interested in researching popular media popular culture audiences and fans Unlike most books Theoretical Perspectives does not talk about media texts or fan communities Instead it critically explores the workings of fan scholarship research on popular media and fan culture done by scholars who are often fans themselves showing and challenging how we have constructed certain ideas about what fans and fandom are and how to study them as a fan Analysing scholarship on two transmedia franchises The Marvel Cinematic Universe and the BBC's Sherlock with the help of extensive international participant discussion Theoretical Perspectives explores and unravels established popular theoretical frameworks and value systems on taste and legitimacy subversion filtering and safe spaces neoliberal capitalist realism and fannish dispositions to offer new approaches for anyone who wants to create a better understanding of fans fandom and themselves
