

The Lottery by Shirley Jackson-----Study Guide

Background Information:

Shirley Jackson (December 14, 1919 - August 8, 1965) was an American author who wrote short stories and novels. Her most famous work is her short story "The Lottery", which combines a bucolic small-town-America setting with a horrific shock ending. The tone of most of her works is odd and macabre, with an impending sense of doom, often framed by very ordinary settings and characters.

Born in San Francisco, California, she graduated from Syracuse University in 1940. While a student there, she met future husband Stanley Edgar Hyman, who was to become a noted literary critic.

In addition to her novels, Jackson also wrote a children's novel, *Nine Magic Wishes*, available in an edition illustrated by her grandson Miles Hyman. She also wrote two humorous memoirs, *Raising Demons* and *Life Among the Savages*, about her marriage and the experience of bringing up four children. After her death, her husband released her final unfinished novel, *Come Along With Me*, containing several chapters of her final work as well as several rare short stories and three speeches given by Jackson in her writing seminars.

Jackson agreed that explaining "The Lottery" was "very difficult," and later wrote: "I supposed, I hoped, by setting a particularly brutal ancient rite in the present and in my own village, to shock the story's readers with a graphic dramatization of the pointless violence and general inhumanity in their own lives."

Imagine a place where the townsfolk gather in anticipation of the annual lottery. The winner is picked...and subsequently stoned to death.

Welcome to the world of Shirley Jackson, where things are not always what they seem. The evil that lies within everyone, hiding between the seemingly ordinary and normal, is a prevalent idea throughout Jackson's works of fiction.
