The Adventures Of Sherlock Holmes:

Adventures of Sherlock Holmes Sir Arthur Conan Doyle, 1892 Presenting 12 tales starring the legendary British detective Sherlock Holmes this 1892 book is Arthur Conan Doyle's first short story collection The mystery compilation includes some of Holmes's finest cases with his dutiful sidekick Doctor Watson most notably A Scandal in Bohemia in which Holmes matches wits with the crafty former lover of a European king Also featured is The Adventure of the Red Headed League a study in misdirection that unfolds to become a much larger scheme The stories initially published in the Strand Magazine are essential reading for Holmes fans

Adventures of Sherlock Holmes Arthur Conan Doyle, 2006 To Sherlock Holmes she is always THE woman I have seldom heard him mention her under any other name In his eyes she eclipses and predominates the whole of her sex It was not that he felt any emotion akin to love for Irene Adler All emotions and that one particularly were abhorrent to his cold precise but admirably balanced mind He was I take it the most perfect reasoning and observing machine that the world has seen but as a lover he would have placed himself in a false position He never spoke of the softer passions save with a gibe and a sneer They were admirable things for the observer excellent for drawing the veil from men's motives and actions But for the trained reasoner to admit such intrusions into his own delicate and finely adjusted temperament was to introduce a distracting factor which might throw a doubt upon all his mental results Grit in a sensitive instrument or a crack in one of his own high power lenses would not be more disturbing than a strong emotion in a nature such as his And yet there was but one woman to him and that woman was the late Irene Adler of dubious and questionable memory
