*The Adventures of Lady Harpur (Complete)* Anonymous, My father possessed a large and flourishing estate on one of the West Indian islands before the emancipation of the slaves My baptismal name is Charlotte but from the fancied likeness to a picture of the English queen of the name my father called me Queenie which pet name has clung to me ever since The first event of any importance in connection with my subject which I can remember occurred when I was about ten years old I had then a black nurse called Dora in whose charge I was especially placed It was from her I learned that my mother who died soon after my birth had been a favourite and very handsome slave nearly as white as a European and that I greatly resembled her My father was kind to me though I did not see much of him for he was often away on business when he was at home he used to send for me to come to him after dinner when he would set me on his knee and make me sip sweet rum toddy He liked tickling my thighs and pinching my bottom he said as it made me laugh and look merry but one evening after his second glass he placed me astride his lap with my back towards him and my dress pulled up that he might feel the warmth of my bottom there I laughed and thought it funny and let him settle me as he wished Then in a short time I felt a hot stiff thing poking up between my thighs and rubbing against my slit in such a way as even then to cause such a strange tingling there that I told my nurse of it when she was putting me to bed She laughed and said massa wanted to do to me what he had done to my mother before me

**The Adventures of Lady Harpur** Anonymous, 2019-06-10 Young beautiful and randy Queenie Harpur is the daughter of a rich plantation owner in the West Indies She is kidnapped by pirates shipwrecked and experiences countless adventures most of them of the sexual kind This is volume one of three Before internet porn before porn videos before porn movies people lusting for raunchy X rated entertainment read pornographic books and magazines Victorian and Edwardian England had its own adult entertainment industry countless erotic novels were put out by shady publishers some books were printed by the authors themselves and most of the writers were anonymous Many of these 19th century books are surprisingly kinky and some of them may be quite offensive to modern day readers in more ways than one First published in 1885 the anonymously written *The Adventures of Lady Harpur* is a classic of Victorian erotica *The Adventures of Lady Harpur ... Related by Herself* Lady Charlotte HARPUR, 1894 *Clandestine Erotic Fiction in English 1800-1930* Peter Mendes, 2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable

evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi **A Study of Erotic Literature in England** W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation **The Adventures of Lady Harpur** Charlotte Harpur,1894 *The Adventures of Lady Harpur* A. Pukka Swiver,2010-04-25 Complete Edition Volumes 1 2 3 Known to her friends as Queenie Lady Harper was the daughter of a rich plantation owner in the West Indies There the passions are as torrid as the Trade Winds Eventually Queenie will be kidnapped and ravished by pirates survive a shipwreck and come into wealth and title when she meets beds and weds Lord Harpur My father possessed a large and flourishing estate on one of the West Indian islands before the emancipation of the slaves My baptismal name is Charlotte but from the fancied likeness to a picture of the English queen of the name my father called me Queenie which pet name has clung to me ever since The first event of any importance in connection with my subject which I can remember occurred when I was about ten years old I had then a black nurse called Dora in whose charge I was especially placed It was from her I learned that my mother who died soon after my birth had been a favourite and very handsome slave nearly as white as a European and that I greatly resembled her [www.victorianerotica.org](http://www.victorianerotica.org) *Sources and Methods in the History of Sexuality* Anna Clark,Elizabeth W. Williams,2024-09-12 *Sources and Methods in the History of Sexuality* outlines some of the challenges of retracing sexual acts identities and desires in the past and shows how historians have responded to these methodological challenges with ingenuity and creativity The volume acknowledges that the history of sexuality poses particularly interesting challenges in relation to sources due the peculiar nature of sexuality On one hand sexuality is frequently hidden and private its practices often unknown denied and evaded its desires fleeting or obsessive its reality

confused or illuminated by fantasy yet on the other sexuality consistently breaks into the public sphere through moral panics waves of persecution taxonomizing projects and medical juridical interventions With vivid case studies from renowned contributors the chapters provide different theoretical approaches along with more practical examples of how to study the history of sexuality The volume has a broad chronology from the ancient world to the present an extensive geography covering not only Europe and the Americas but also Latin America and Africa and also includes a variety of gender and sexual expressions The book also privileges texts that offer an intersectional approach asking how sex and sexualities were constructed alongside against other categories of difference With accessible writing this volume encourages the reader to think creatively about how to find evidence of sex sexuality in the past and will be of value to students as well as scholars interested in the history of sexuality

**Modernism, Mass Culture, and the Aesthetics of Obscenity** Allison Pease, 2000-07-27 How did explicit sexual representation become acceptable in the twentieth century as art rather than pornography Allison Pease answers this question by tracing the relationship between aesthetics and obscenity from the 1700s onwards highlighting the way in which early twentieth century writers incorporated a sexually explicit discourse into their work Pease explores how artists such as Swinburne Aubrey Beardsley James Joyce and D H Lawrence were responsible for shifting the boundaries between aesthetics and pornography that first became of intellectual interest in the eighteenth century and reinforced class distinctions Her analysis of canonical works such as Joyce's *Ulysses* and Lawrence's *Lady Chatterley's Lover* is framed by a wide ranging examination of the changing conceptions of aesthetics from Shaftesbury Hutcheson and Kant to F R Leavis I A Richards and T S Eliot Based on extensive archival work the book includes examples of period art and illustrations which eloquently demonstrate the shift in public taste and tolerance

**Adventures of Lady Harpur.** Anonymous, 1999-12 *International Exposure* Lisa Z. Sigel, 2005-01-03 *International Exposure* demonstrates the wealth of desires woven into the fabric of European history desires about empire and nation about self and other about plenty and dearth By documenting the diverse meanings of pornography senior scholars from across disciplines show the ways that sexuality became central to the individual to the nation and to the transnational character of modern society The ten essays in the volume engage a rich array of topics including obscenity in the German states censorship in France's Third Republic the male internet porn the rise of incestuous longings in England the place of the Hungarian video revolution in the global market and the politics of pornography in Russia Taken together the essays illustrate the latest approaches to content readership form and delivery in modern European pornography A substantial discussion of the broad history and state of the field complements the ten in depth case studies that examine a wide range of sources from literature to magazines video to the internet By tackling the highbrow and lowdown of the pornographic form this volume lays the groundwork for the next surge of studies in the field

*The Publishers Weekly*, 1921 *The Traffic in Obscenity From Byron to Beardsley* C. Colligan, 2006-08-22 Colligan argues that Nineteenth century obscenity was caught up in the global cultural traffic of print

technology international trade and exoticism She reveals that obscenity intersected majority and minority culture searched out new print and visual media and built commercial and fantasmatic global networks for its continuation and survival
