Ways Of Staying Kevin Bloom, 2011-03-03 As a journalist Kevin Bloom had witnessed and reported on the rising tide of violence in post Apartheid South Africa But when his own cousin was killed in a vicious random attack the questions he d been asking about the troubling political and social changes in his country took on a sickeningly personal urgency Suddenly it felt as though this South Africa was no longer the place he d grown up in or the place which felt like home Still stunned by the loss Bloom begins to trace the path of violence from the murder of his cousin in the hills of Zululand to the fatal shooting of the historian David Rattray linking these individual crimes to the riven political landscape and the riots and xenophobic attacks of 2008 Visceral complicated and compassionate Ways of Staying is an eloquent account of how the white community is coping with black majority rule and in particular how one family is coping in the aftermath of their own private tragedy

Turfloop a Conscious Pariah Chris Kanyane Kanyane,2010-01-06 This book provides reflections on the butterfly effect on how Turfloop brought in the Age of Barack Obama What is the Age of Barack Obama To paraphrase Dr Ineke Van Kessel a prominent historian at the Leiden University in the Netherlands The University of the North also known as Turfloop played a vital role as the center of communication coordination ideological direction the engine of bringing the new South Africa was University of the North We approached this book like detectives Fortunately in our detective work we were not concerned with a particular agenda we were not trying to prove that a certain method of thinking was right or wrong We didnt want this book to be filled with personal opinions and biases We wanted this book to be juice and accessible to every person who reads it in whatever corner of the world We have to back up our story with facts of course and get other people to do practical analysis and later we added our own perspectives When we completed writing this book we passed it around amongst critical people spread across the globe Most of them said that the book is somehow highbrow and at the same time all together lowbrow which came as a compliment A lot of people are somewhere in between We want this book to embody that because there are many people there we want them to appreciate this book
