Up In Honeys Room:

Up in Honey's Room Elmore Leonard, 2008-04-29 Secretly passing intelligence through a spy ring while running a butcher shop in Detroit German born Walter Schoen becomes estranged from his long suffering wife and is targeted by Marshals serviceman Carl Webster who believes Schoen is hiding an escaped prisoner of war Reprint

Up in Honey's Room Elmore Leonard, 2007-05-08 The odd thing about Walter Schoen German born but now running a butcher shop in Detroit he s a dead ringer for Heinrich Himmler head of the SS and the Gestapo They even share the same birthday Honey Deal Walter s American wife doesn t know that Walter is a member of a spy ring that sends U S war production data to Germany and gives shelter to escaped German prisoners of war But she s tired of telling him jokes he doesn t understand it s time to get a divorce Along comes Carl Webster the hot kid of the Marshals Service He s looking for Jurgen Schrenk a former Afrika Korps officer who escaped from a POW camp in Oklahoma Carl s pretty sure Walter s involved with keeping Schrenk hidden so Carl gets to know Honey hoping she ll take him to Walter Carl then meets Vera Mezwa the nifty Ukrainian head of the spy ring who s better looking than Mata Hari and her tricky lover Bohdan with the Buster Brown haircut and a sly way of killing Honey s a free spirit she likes the hot kid marshal and doesn t much care that he s married But all Carl wants is to get Jurgen Schrenk without getting shot And then there s Otto the Waffen SS major who runs away with a nice Jewish girl It s Elmore Leonard s world gritty funny and full of surprises

American Bee Journal ,1900 Includes summarized reports of many bee keeper associations

Canadian Horticulturist and Beekeeper ,1904

The Honeys Ryan La Sala, 2022-08-16 From Ryan La Sala the wildly popular author of *Reverie* comes a twisted and tantalizing horror novel set amidst the bucolic splendor of a secluded summer retreat Mars has always been the lesser twin the shadow to his sister Caroline s radiance But when Caroline dies under horrific circumstances Mars is propelled to learn all he can about his once inseparable sister who d grown tragically distant Mars s genderfluidity means he s often excluded from the traditions and expectations of his politically connected family This includes attendance at the prestigious Aspen Conservancy Summer Academy where his sister poured so much of her time But with his grief still fresh he insists on attending in her place What Mars finds is a bucolic fairytale not meant for him Folksy charm and sun drenched festivities camouflage old fashioned gender roles and a toxic preparatory rigor Mars seeks out his sister s old friends a group of girls dubbed the Honeys named for the beehives they maintain behind their cabin They are beautiful and terrifying and Mars is certain they re connected to Caroline s death But the longer he stays at Aspen the more the sweet mountain breezes give way to hints of decay Mars s memories begin to falter bleached beneath the relentless summer sun Something is hunting him in broad daylight toying with his mind If Mars can t find it soon it will eat him alive
