4.4. Numbers in Text and Their Correspondence

- *Efficient cost-based management after project (R) (R) as other (business, health, social)*

2. Although more difficult for students to represent this on paper, the figure should look something like the following. Note that the origin is not in a corner of the frame, but that it is at the center of the data system.

In problems (a) and (b) we simply note that it is necessary to prove to students what properties are being used.
