Silence: A User's Guide, Volume Two Maggie Ross, 2017-12-13 To learn to read a text for the portals of silence that are implicit in it is to gain a powerful tool for supporting and expanding one's silence and to open the reader to the insight that ensues The sort of reading proposed in this volume is both costly and rewarding These pages invite readers once again to look at their own minds to reflect on what is happening there and to understand the essential role of silence for being human and for living our own truth with one another **The Letters of an Unexpected Mystic** Robert D. Flanagan, 2022-07-20 The apostle Peter is a pillar of the church whose writing has been overlooked until recently when scholarship remedied this gap significantly elevating Peter's letters However one critical area has been omitted Within the Petrine writing is a robust empowered and beautiful mystical theology which makes Peter an unexpected but vital Christian mystic In exploring his love of artwork German theologian and priest Romano Guardini developed the Threefold Seeing which has been brought to light by Yvonne Dohna Schlobitten of the Pontificate Gregorian University His unique method of viewing the artist artwork and observer develops a way of encountering the world and word Instead of looking at the world or the biblical text through separate vantage points the Threefold Seeing integrates all disciplines under greater view of God the artist of all creation The Letters of an Unexpected Mystic employs Guardini's Threefold Seeing to encounter the mystic Peter and the Petrine mystical theology The result is a book that provides its readers with a means to become the Christian Karl Rahner wrote about in 1971 The devout Christian of the future will either be a mystic one who has experienced something or he will cease to be anything at all **The Speed of Soul** Tommy Brown, 2025-10-07 Reclaim a Life of Purpose and Peace In today's fast paced world many of us feel stretched thin overwhelmed by too much or find ourselves longing for a more grounded life We wonder if it is possible to slow down and live more purposefully when life is so demanding busy and stressful We want something beyond quick fixes or surface level relaxation tips to help us find the fulfillment and peace our souls crave In a society that glorifies success at any cost The Speed of Soul offers a countercultural approach to living with purpose peace and intentionality Tommy Brown invites readers to embrace four transformative spiritual practices rooted in timeless wisdom love deeply live quietly mind your own affairs and work with your hands that bring clarity and calm amidst the chaos The Speed of Soul will help readers Find calm and clarity by practicing love stillness and purposeful work Step away from comparison and cultivate confidence through focused quiet living Reconnect with what matters by aligning your values with intentional actions Rediscover joy and meaning in everyday tasks relationships and your inner life Reclaim a centered fulfilled life free from the pressures of a constantly demanding world and embrace the power of intentional living today *Monastic Practices* Charles Cummings, 2015 For three decades Monastic Practices has been a valued resource for English speaking aspirants to monastic life In this revised edition updated and expanded Charles Cummings OCSO explores the common practices of the monastic life in order to rediscover them as viable means of leading persons to a deeper
