Adult Literature after Twilight Christine Seifert looks at an alarming trend in YA novels Labeling this phenomenon abstinence porn Seifert argues that these novels that fetishize virginity are harmful to readers Like pornography such works reduce female characters to objects whose sexual acts are the sole expression of their identities Chapters in this book examine paranormal dystopian and contemporary romance paying particular attention to recurring virginity themes or tropes The book also provides an antidote by showing how some sex positive teen novels provide more empowering messages to readers Organized by genre the books were selected for this study based on their popularity with teens Exploring how messages about virginity are sustained and repeated from text to text this book also calls out key reader reactions to demonstrate how they are responding to these messages Featuring a list of discussion questions *Virginity in Young Adult Literature after Twilight* will be a valuable resource for teachers librarians parents and mature young adult readers **Crescendo** Becca Fitzpatrick, 2010-11-10 A powerful YA romance about the forbidden love between a girl and a fallen angel Perfect for fans of the Twilight series eagerly awaiting Midnight Sun Nora should know better than to think her life can return to normal after falling in love with a fallen angel And Nora's life isn't normal her dad was murdered and the facts about his death just don't add up Now Nora's own life is in imminent danger Are she and Patch strong enough for the battle ahead **Silence** Becca Fitzpatrick, 2013 For use in schools and libraries only After having overcome tremendous challenges to save a love that transcends the boundary between heaven and earth Nora and Patch must face an adversary with the power to destroy all that they have worked for Silence Becca Fitzpatrick, 2011 Patch and Nora have overcome the secrets of a dark past bridged two irreconcilable worlds faced tests of betrayal loyalty and trust and all for a love that will transcend between heaven and earth Armed with faith in one another they'll enter a desperate fight to stop a villain who holds the power to shatter everything they've worked for and their love forever *The Complete Hush, Hush Saga* Becca Fitzpatrick, 2012-10-23 Soon to be a major motion picture All four books in the breathtaking New York Times bestselling Hush Hush saga are now available in a collectible hardcover boxed set Enter the realm of fallen angels and rising passions with this boxed set that includes Hush Hush Crescendo Silence and Finale This gripping saga chronicles the destiny of Nora and Patch from the beginning of their relationship to the dire events and forces of the immortal world that threaten to tear them apart The complete series collection of all four Hush Hush books is the perfect paranormal present for loyal fans and series newcomers Silence Becca Fitzpatrick, 2012 Apr's une lutte acharnée entre deux mondes que tout oppose une quête despérée vers un amour qui semblait voué à l'échec Patch et Nora voient leur passion mise à l'épreuve Quand Nora se réveille à l'hôpital après ce qu'elle croyait être un banal accident de voiture elle apprend qu'elle est portée disparue depuis plusieurs mois Seulement Nora ne se souvient de rien de ce qui s'est passé pendant toute cette période ni même d'avoir rencontré celui qui a bouleversé sa vie Patch Alors que tous tentent de lui cacher son existence Nora est persuadée que quelqu'un l'attend Tandis que sa vie est plus que jamais menacée la jeune femme suivra obstinément son cœur et remuera ciel et terre pour retrouver
