

Overview

Kenneth Oppel's 1997 award-winning middle-grade novel *Silverwing* is a high-fantasy work that follows a young bat's journey to find his colony. The novel has sold over a million copies and been adapted for television as an animated children's series. This book is the first of four in The *Silverwing* Book Series.

Plot Summary

The novel is divided into three parts, and it shifts point of view between Shade, a runt newborn *Silverwing* bat, and Goth, a cannibalistic bat from the jungle. In Part 1, Shade defies the laws put in place by owls and stays up to see the sunrise. The owls demand Shade's murder as payment for breaking this law, but Fricks, the colony's elder, refuses to surrender him. The owls burn down the colony's main roost, which forces the colony to leave for their hibernation roost early. Along the way, Shadegotta separates from his colony and meets Marina, and Brightwing bat who was banished from her colony because humans placed a band on her.

In Part 2, Goth and Throbb, two large cannibalistic bats from the jungle, escape their human enclosure. They embark on a murderous rampage, eating any small animal or bird in sight. This sparks a war because the owls blame the bats in general for killing their allies. Pigeons, too, are against the bats and Marina and Shade find some pigeons and meet another bat at the top of a cathedral.

The bat who guards the pigeons on the cathedral roof is an albino bat named Zephyr. He uses his powers to heal Shade's wounds and reveals that he can see the future. He tells Shade that Shade's long thought-dead father, Cassiel, is actually alive, and he wants the pair to feed him with meat on their wings.

Goth and Throbb find Shade and Marina. Goth pretends to be nice to the smaller bats, but secretly he's plotting to make Shade and his colony into slaves for food. Shade and Marina eventually learn his secret and escape.

Part 3 finds Shade and Marina flying fast through the winter to stay away from Goth and Throbb. As they fly, they encounter an abandoned house full of bats who have bands like
