Essay ==>

Wright brothers invented the Aeroplane for the first and because of them everyone had a dream of flying. To fly like a bird and flew miles away in the horizon. I saw an aeroplane first time when I was young and after that I immediately asked my mother every thing about it.

My mother showed me the book of aviation history and I got fascinated and amazed with it. Stories of Amelia Earhart inspired me a lot.

After that I took a biggest decision of my life that is to become a pilot in the future.

I want to travel the whole world.

I want to become a pilot it made me feel adventurous. Spending all my childhood in the amazing stories and fictions of an aeroplane gave me a wonderful feeling.

As I grew older my dream my aim also grew with me with determination.

I know that it's not easy to pursue it but still I would try my best. I want to make my aim my life

★ Hope it helps you ^_^ ★
