D. Kaplan,2020-07-09 In his best selling travel memoir *The Innocents Abroad* Mark Twain punningly refers to the black man who introduces him to Venetian Renaissance painting as a contraband guide a term coined to describe fugitive slaves who assisted Union armies during the Civil War By means of this and similar case studies Paul H D Kaplan documents the ways in which American cultural encounters with Europe and its venerable artistic traditions influenced nineteenth century concepts of race in the United States Americans of the Civil War era were struck by the presence of people of color in European art and society and American artists and authors both black and white adapted and transformed European visual material to respond to the particular struggles over the identity of African Americans Taking up the work of both well and lesser known artists and writers such as the travel writings of Mark Twain and William Dean Howells the paintings of German American Emanuel Leutze the epistolary exchange between John Ruskin and Charles Eliot Norton newspaper essays written by Frederick Douglass and William J Wilson and the sculpture of freed slave Eug ne Warburg Kaplan lays bare how racial attitudes expressed in mid nineteenth century American art were deeply inflected by European traditions By highlighting the contributions people of black African descent made to the fine arts in the United States during this period

along with the ways in which they were represented *Contraband Guides* provides a fresh perspective on the theme of race in Civil War era American art It will appeal to art historians to specialists in African American studies and American studies and to general readers interested in American art and African American history Blood Dr. Jen Gunter, 2024-01-23 The New York Times bestselling author internationally known ob gyn and internet superstar who has become the go to expert for women s health issues now takes on a topic that affects more than 72 million Americans every month bashing myths about menstruation and giving readers the knowledge they need to make the best decisions for their bodies Most women can expect to have hundreds of periods in a lifetime So why is real information so hard to find Despite its significance most education about menstruation focuses either on increasing the chances of pregnancy or preventing it And while both are crucial women deserve to know more about their bodies than just what happens in service to reproduction At a time when charlatans politicians and even some doctors are succeeding in propagating damaging misinformation and disempowering women Dr Jen provides the antidote with science myth busting and no nonsense facts Not knowing how your body works makes it challenging to advocate for yourself Consequently many suffer in silence thinking their bodies are uniquely broken or they turn to disreputable sources *Blood* is a practical empowering guide to what s typical what s concerning and when to seek care recounted with expertise and frank fearless wit that have made Dr Jen today s most trusted voice in women s health Dr Jen answers all your period related questions including What exactly happens during menstruation How heavy is too heavy How much should periods hurt and provides essential information about topics such as The impact of stress and health on the menstrual cycle Menstrual migraines PMS and period diarrhea yes it s totally normal Polycystic Ovarian Syndrome PCOS and fibroids Endometriosis and the latest treatments The endometrium s the uterine lining s fascinating connection to the immune system Different cultural perceptions of menstruation and how they affect girls and women Legitimate menstrual products and the facts behind toxic shock syndrome *Blood* is about much more than biology It s an all in one revolutionary guide that will change the way we think about talk about and don t talk about our bodies and our well being
