

Korea

1400 AD
"Choson
Period"

Hanyang
(Seoul)

A map of the Korean peninsula during the Choson Period (1400 AD). The landmass is colored light gray and is surrounded by a blue sea. To the north, a green landmass represents Manchuria. The Korean peninsula is divided into several administrative regions by thin black lines. A black dot marks the location of Hanyang (Seoul), with the text "Hanyang (Seoul)" placed next to it. The Japanese archipelago is shown in the bottom right corner, colored brown. The text "Korea" is written in a large, bold, dark blue serif font on the left side of the map, with "1400 AD" and "Choson Period" in a smaller, dark blue serif font below it.

Hazard Jr.,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1954 Handbook for Asian Studies Specialists Noriko Asato,2013-10-08 An indispensable tool for librarians who do reference or collection management this work is a pioneering offering of expertly selected print and electronic reference tools for East Asian Studies Chinese Japanese and Korean Handbook for Asian Studies Specialists A Guide to Research Materials and Collection Building Tools is the first work to cover reference works for the main Asian area languages of China Japan and Korea Several leading Asian Studies librarians have contributed their many decades of experience to create a resource that gathers major reference titles both print and online that would be useful to today s Asian Studies librarian Organized by language group it offers useful information on the many subscription based and open source electronic tools relevant to Asian Studies This book will serve as an essential resource for reference collections at academic libraries Previously published bibliographies on materials deal with China or Japan or Korea but none have coalesced information on all three countries into one work or are written in English And unlike the other resources available this work provides the insight needed for librarians to make informed collection management decisions and reference selections **Korean Family and Kinship Studies Guide** Hesung Chun Koh,1980 Women and Confucianism in Chosŏn Korea Youngmin Kim,Michael J. Pettid,2011-11-01 This volume offers a fresh multifaceted exploration of women and Confucianism in mid to late Choso n Korea mid sixteenth to early twentieth century Using primary sources and perspectives from social history intellectual history literature and political thought contributors challenge unitary views of Confucianism as a system of thought of women as a group and of the relationship between the two Much earlier scholarship has focused on how women were oppressed under the strict patriarchal systems that emerged as Confucianism became the dominant social ideology during the Choso n dynasty 1392 1910 Contributors to this volume bring to light the varied ways that diverse women actually lived during this era from elite yangban women to women who were enslaved Women are shown to have used various strategies to seek status economic rights and more comfortable spaces with some women even emerging as Confucian intellectuals and exemplars Encounter, Transformation, and Agency in a Connected World Susan Broomhall,2023-07-28 Analysing a series of narratives that described women who transformed the worlds they lived in this book introduces students and scholars to the lives of the women of Joseon Korea 1550 1700 Exploring their interactions both at home and abroad this book shows how the agency of

these women reached far across the globe The narratives explored here appeared in a wide range of written visual and material forms from woodcuts and printed texts letters journals and chronicles to inscriptions on monuments and were produced by Joseon s elite officials grieving families Japanese civic administrators Jesuit missionaries local historians of the Japanese ceramic industry and men of the Dutch East India Company The women whose voices lives and actions were presented in these texts lived during a time when Joseon Korea was undergoing substantial social political and cultural changes Their works described women s capacity to transform in ways large and small themselves their families and society around them Interest in such women was not limited to a readership within the kingdom alone in this period but was reported across transnational networks to a global audience from Japan to Europe carrying messages about Korean women s agency far and wide

Encounter Transformation and Agency in a Connected World Narratives of Korean Women 1550 1700 is essential reading for students and scholars interested in the history of Joseon Korea and Asia and the history of women in the early modern period more broadly

The Five "Confucian" Classics Michael Nylan,2008-10-01 The Five Classics associated with Confucius formed the core curriculum in the education of Chinese literati throughout most of the imperial period In this book Michael Nylan offers a sweeping assessment of these ancient texts and shows how their influence spread across East Asia Nylan begins by tracing the formation of the Five Classics canon in the pre Han and Han periods 206 B C A D 220 revising standard views on the topic She assesses the impact on this canon of the invention of a rival corpus the Four Books in the twelfth century She then analyzes each of the Five Classics discussing when they were written how they were transmitted and edited in later periods and what political historical and ethical themes were associated with them through the ages Finally she deliberates on the intertwined fates of Confucius and the Five Classics over the course of the twentieth century and shows how the contents of the Five Classics are relevant to much newer concerns

The History of the East Sea and the Sea of Japan Jeongbo Shim,2022-09-07 This monograph discusses the dispute in geographical naming of the sea between Korea and Japan which has been a long lasting issue in East Asia and beyond The book covers the modern history of the dispute reveals the origin of the names for the sea between Korea and

Japan and the historical change of the name on ancient maps of Korea Japan and the West and tracks the naming trends of the East Sea in geography textbooks in the pre modern and modern times The book also contains suggestions for some tangible solutions for the issue This book is a useful resource for students and scholars in the fields of political geography historical geography cartography diplomatic history international relations politics and other related disciplines It also appeals to international experts in hydrographic organizations and the United Nations and geography and history teachers The book is also interesting for the general readers interested in the topic of geographical naming disputes

The Origins of the Chosŏn Dynasty John B. Duncan, 2000 Duncan UCLA uses statistical data from primary sources to challenge the common scholarly view that Korea's Choson dynasty 1392-1910 was established by a new socioeconomic class of scholar officials who overthrew the capital based aristocracy of the Koryo dynasty Instead Duncan shows that continuity in the structure and composition of the central ruling class was a key feature of the transition He argues that the main force behind the shift was not revolution but the need to revamp institutions to protect the interests of the aristocracy With 26 tables and 10 genealogical charts as well as a lengthy glossary of Korean Chinese and Japanese place names descent groups and general terms Annotation copyrighted by Book News Inc Portland OR

Ethnomusicology Helen Myers, 1993 Complementing Ethnomusicology An Introduction this volume of studies written by world acknowledged authorities places the subject of ethnomusicology in historical and geographical perspective Part I deals with the intellectual trends that

contributed to the birth of the discipline in the period before World War II Organized by national schools of scholarship the influence of 19th century anthropological theories on the new field of comparative musicology is described In the second half of the book regional experts provide detailed reviews by geographical areas of the current state of ethnomusicological research

Guide to the study and use of reference books Alice Bertha Kroeger, 1917 **Korean Studies Today** Sŏul Taehakkyo. Tonga Munhwa Yŏn'guso, 1970 **A New Middle Kingdom** J. P. Park, 2018-10-09 Historians have claimed that when social stability returned to Korea after devastating invasions by the Japanese and Manchus around the turn of the seventeenth century the late Chosŏn dynasty was a period of unprecedented economic and cultural renaissance in which prosperity manifested itself in new programs and styles of visual art **A New Middle Kingdom** questions this belief claiming instead that true view landscape and genre paintings were likely adopted to propagandize social harmony under Chosŏn rule and to justify the status wealth and land grabs of the ruling class This book also documents the popularity of art books from China and their misunderstanding by Koreans and most controversially Korean enthusiasm for artistic programs from Edo Japan thus challenging academic stereotypes and nationalistic tendencies in the scholarship about the Chosŏn period As the first truly interdisciplinary study of Korean art **A New Middle Kingdom** points to realities of late Chosŏn society that its visual art seemed to hide and deny A William Sangki and Nanhee Min Hahn Book

Marginality and Subversion in Korea Sun Joo Kim, 2013-11-01 In the history of Korea the nineteenth century is often considered an age of popular rebellions Scholarly approaches have typically pointed to these rebellions as evidence of the progressive direction of the period often using the theory of class struggle as an analytical framework In **Marginality and Subversion in Korea** Sun Joo Kim argues that a close reading of the actors and circumstances involved in one of the century's major rebellions the Hong Kyongnae Rebellion of 1812 leads instead to more complex conclusions Drawing from primary sources in Korean Japanese and classical Chinese this book is the most extensive study in the English language of any of the major nineteenth century rebellions in Korea Whereas previous research has focused on economic and landlord tenant tensions suggesting that class animosity was the dominant feature in the political behavior of peasants Sun Joo Kim explores the role of embittered local elites in providing vital support in the early stages to spur social change that would benefit these elites as much as the peasant class Later however many of these same elites would rally to the side of the state providing military and material contributions to help put down the rebellion Kim explains why these opportunistic elites became discontented with the state in the scramble for power prestige and scarce resources and why many ultimately worked to rescue and reinforce the Chosŏn dynasty and the Confucian ideology that would prevail for another one hundred years This sophisticated groundbreaking study will be essential reading for historians and scholars of Korean studies as well as those interested in early modern East Asia social transformation rebellions and revolutions
