disorder So many people become dispirited fatalistic or angry about crime instead of seeing crime problems like business  
setbacks as challenges or even opportunities This book sets out a clear systematic and demonstrably successful strategy for  
reducing the temptations and opportunities for crime You cannot change the travelling public or the communities which  
public transport serves but you can change the immediate circumstances and surroundings that you present to people you  
can re think and reinvigorate your service offering you can recruit help from other agencies from staff and even those who  
ride the system and you can make the transition from being reactive to being ahead of the game The theory is backed up by  
concrete examples of how and why and where smart thinking has worked before to outflank crime this is not just off the shelf  
self help philosophy but a compendium of real world best practice What s more you can often make money or at least save a
