Christian Charismatic Movements Andrzej Siemieniewski, Mirosław Kiwka, 2021-10-11 The New Testament shows the early Church as having both stable institutions and dynamic growth in charismatic ministries In the twenty first century although many historically determined inessentials have changed the Church s structure remains fundamentally the same This study looks at New Testament ministries Eph 4 11 12 Baptism in the Holy Spirit and the history of the gift of tongues from the Acts of the Apostles through to the charismatics of our time to see how these elements contribute to the fast paced global phenomenon we call the pentecostalization of modern Christianity Our research shows that much of what appears to be novel in current ecclesial movements is the fruit of charisms that have been poured out from the beginning The disciples of Christ are still bringing out of his treasure what is new and old

The Priestly Office Avery Dulles, 1997 The past three decades have witnessed a decline in the number of Roman Catholic priests in Europe and North America the result of resignations from the priesthood and of fewer people entering seminaries A major cause contributing to this situation has been the ambiguity surrounding the role and identity of the priest in light of new theological paradigms This book attempts to restore clarity to that matter by drawing primarily although not exclusively on the teachings of the Second Vatican Council postconciliar theology and the pronouncements of Pope John Paul II The first chapter probes the

relationship of the priest to Christ and the church This is the basic theme of the book since the manner in which the relationship is perceived colors all aspects of priestly life The following three chapters examine the three forms of ministry the priest renders to the community the ministry of the word of worship and of pastoral care The book ends with a consideration of the most fundamental role of the priest a disciple of Jesus So the book comes full circle returning to the primary relationship of the priest to Christ and to the church as a community of disciples BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
