Mended Hearts Kelly Irvin, 2019-04-09 At eighteen Hannah Kauffman made a terrible mistake Her parents and members of her Jamesport Amish

community say they've forgiven her. But she feels their eyes following her everywhere she goes with eighteen-month-old Evie. Thaddeus, Evie's father, escaped this fate by running away from Jamesport. Now that Thaddeus is gone, Hannah's old friend Phillip is stepping up to be by her side. He has waited patiently for Hannah to realize just how much he cares for her. But when Thaddeus returns after two years, Hannah can't deny the love she feels for him. Does the fact that Phillip has waited patiently for her all this time mean that she owes him something? Can she trust either one of them? Can she trust herself? She has repented and been forgiven by the One who is most important to her: her heavenly Father. But is she willing to risk making more mistakes by opening herself up to love?

The Man Who Touched His Own Heart Rob Dunn, 2015-02-03 The secret history of our most vital organ, the human heart. The Man Who Touched His Own Heart tells the raucous, gory, mesmerizing story of the heart from the first explorers who dug up cadavers and plumbed their hearts' chambers through the first heart surgeries which had to be completed in three minutes before death arrived to heart transplants and the latest medical efforts to prolong our hearts' lives, almost defying nature in the process. Thought of as the seat of our soul, then as a mysteriously animated object, the heart is still more a mystery than it is understood. Why do most animals only get one billion beats? And how did modern humans get to over two billion, effectively letting us live out two lives? Why are sufferers of gingivitis more likely to have heart attacks? Why do we often undergo expensive procedures when cheaper ones are just as effective? What do Da Vinci, Mary Shelley, and contemporary Egyptian archaeologists have in common? And what does it really feel like to touch your own heart or to have someone else's beating inside your chest? Rob Dunn's fascinating history of our hearts brings us deep inside the science, history, and stories of the four chambers we depend on most.

Heart of a Warrior Kim Rice Smith, 2021-01-19 The *Heart of a Warrior: Faith for His Boots on the Ground* is a fifty-two-week devotional for the warrior heart in each of us. We are all warriors for the things we value in this life. We fight for our families, our communities, and our faith. *His Boots on the Ground* is the second devotional by the award-winning author of *Heart of the Warrior*. Kim Rice Smith. Both include relatable and faith-based reflections on life with space for personal journaling. *Faith for His Boots on the Ground* includes delightful photos from award-winning military combat photographer Kowshon Ye. Each devotion includes a beautiful image from his collection of photographs taken at many locations around the world. The stunning images will help to make this time spent weekly even more powerful. These relatable devotions will have warriors reflecting on moments in their own lives as they move through the year. Readers are encouraged to explore during each week how they can grow in their own personal faith journey. Along with space for journaling, each weekly entry includes a connecting scriptural reference and a suggestion for an activity to help strengthen the faith of each warrior. Warriors need to be equipped to serve as *His Boots on the Ground*. Warriors also need each other. Readers are encouraged to use this book along with the free daily blog at <https://m.facebook.com/TheHeartOfAWarrior65> to connect with each other as we all work to strengthen our faith and our warrior hearts. Working together, our *Boots on the Ground* are better able to serve as his hands and feet.
