The Merck Manual Of Women S And Men S Health

Michael Hoelscher

The Merck Manual Of Women S And Men S Health:

The Merck Manual of Women's and Men's Health Various, 2014-10-25 Adapted from the bestselling title The Merck Manual of Medical Information this comprehensive guide provides women and men with in depth information on sexuality and problems that affect the reproductive organs From a world leader in breakthrough medical discoveries comes a comprehensive and current source on all things concerned with sexual and reproductive health complete with illustrations an appendix of resources and a detailed index With contributions from more than fifteen internationally respect medical experts this straightforward reference includes information on sexual dysfunction sexually transmitted diseases infertility menstrual disorders and much more

Introduction to Reference Sources in the Health Sciences Jeffrey T. Huber, Susan Swogger, 2014-04-22 Prepared in collaboration with the Medical Library Association this completely updated revised and expanded edition lists classic and up to the minute print and electronic resources in the health sciences helping librarians find the answers that library users seek

Men's Health on the Internet Janet M Coggan, 2024-11-01 The best health resources for men on the Net Men s Health on the Internet puts the best of what the Web has to offer on the subject into one handy volume Use it as a guide to the best Web sites representing men s health organizations reliable sites where you can find current health news for men and much more This important book evaluates Web sites for content clarity and user friendliness and shows you how to conduct a focused subject specific search From editor M Sandra Wood It is well known that men are less likely than women to seek health care Men tend to wait as long as possible to see a doctor about a health problem making early diagnosis difficult if not impossible Given the fact that men seem to be more private about their illnesses the Internet provides an excellent place for them to seek health care information Men s Health on the Internet examines what men need and expect as health care consumers provides an overview of the resources available on the World Wide Web teaches you about search engines and how to use them to find what you re looking for quickly and efficiently points you toward information on cancer Web based resources on risk factors early detection and treatment brings you reliable resources for information on prostate problems puts you in touch with reliable information men s concerns including hair loss high blood pressure hypertension heart health infertility impotence and physical fitness includes resources for gay men s health issues increases your awareness of different types of Internet resources including mailing lists newsgroups and real time communication Information resources on the Internet relating to health issues from Web sites to newsletters to chat groups are abundant Some are much more reliable than others and there is just as much variety when it comes to ease of use Take control use Men s Health on the Internet to sift through the often overwhelming number of related sites to find the information you need

Handbook of the Psychology of Women and Gender Rhoda K. Unger, 2004-04-21 A lively thought provoking exploration of the latest theory and practice in the psychology of women and gender Edited by Rhoda Unger a pioneer in feminist psychology this handbook provides an extraordinarily balanced in depth treatment of major

contemporary theories trends and advances in the field of women and gender Bringing together contributions from leading U S and international scholars it presents integrated coverage of a variety of approaches ranging from traditional experiments to postmodern analyses Conceptual models discussed include those that look within the individual between individuals and groups and beyond the person to the social structural frameworks in which people are embedded as well as biological and evolutionary perspectives Multicultural and cross cultural issues are emphasized throughout including key variables such as sexual orientation race ethnicity and social class Researchers and clinicians alike will appreciate the thorough review of the latest thinking about gender and its impact on physical and mental health which includes the emerging trends in feminist therapy and sociocultural issues important in the treatment of women of color In addressing developmental issues the book offers thought provoking discussions of new research into possible biological influences on gender specific behaviors the role of early conditioning by parents school and the media the role of mother and mothering gender in old age and more Power and gender as well as the latest research findings on American men s ambivalence toward women sexual harassment and violence against women are among the timely topics explored in viewing gender as a systemic phenomenon Handbook of the Psychology of Women and Gender is must reading for mental health researchers and practitioners as well as scholars in a variety of disciplines who want to stay current with the latest psychological psychosocial thinking on women and gender

Merck's Manual of the Materia Medica, 1923 Containing names and chief synonyms physical form and appearance solubilities percentage strengths and physiological effects therapeutic uses modes of administration and application regular and maximum dosage incompatibles antidotes precautionary requirements etc etc of the chemicals and drugs usual in modern medical practice **Merck's Manual of the Materia Medica** Merck & Co, 1923 **Gerontological Nursing:**

Competencies for Care Kristen L. Mauk, 2022-03-29 The Fifth Edition of Gerontological Nursing takes a holistic approach and teaches students how to provide quality patient care for the older adult preparing them to effectively care for this population **The 17 Day Plan to Stop Aging** Dr Mike Moreno, 2012-09-27 In The 17 Day Plan to Stop Aging Dr Mike Moreno author of the bestselling sensation The 17 Day Diet offers an incredible four cycle plan designed to help you prevent or even reverse the symptoms of aging There are nine systems in your body that must all be in good working order for you to function at your peak at any age circulatory respiratory nervous immune digestive endocrine musculoskeletal reproductive and urinary systems Dr Mike is giving readers all the strategies for longevity that they need from the exact nutrients that can keep the body running at its peak to easy tips for integrating more movement into every day following the same plan of 17 day cycles that has worked so well for people on The 17 Day Diet Designed to work with any lifestyle The 17 Day Plan to Stop Aging shows how to use nutrition physical fitness and mental exercise to keep your systems in excellent condition The steps are simple The results are real Highlights include specific foods to eat to properly manage your digestive system physical activities that will decrease the medical age of your cardiovascular and respiratory system cognitive exercises to

keep your mental systems young and sharp products ingredients and regimens that will decrease inflammation in the body which according to the latest research out of Harvard School of Public Health can improve everything from heart health and cognitive ability to joint pain and one's general sense of happiness **Nutrition for the Older Adult** Melissa Bernstein, Ann Luggen, 2010 Nutrition for the Older Adult is a clear comprehensive text that introduces students to nutrition and health promotion for older adults Covering such important topics as the physiological changes of aging weight and nutrition problems in older adults nutritional assessment and support for the elderly and diet and cultural diversity as well as exercise prescriptions for older adults this text is an essential resource for students in the fields of nutrition nursing and gerontology

Disaster Nursing and Emergency Preparedness Tener Goodwin Veenema, 2018-07-28 What a wonderful resource Doody's Medical Reviews The 4th Edition is unique in recognizing the rapid changes in both the causes of crises and the latest attempts to provide timely multidisciplinary approaches to the practice of this growing specialty Evident throughout this edition is the call to identify crisis leadership among the increasingly talented base of nurses who have responsibility to move the profession to recognize and accept that they can be advocates for better planning coordination education and training Frederick M Burkle Jr MD MPH DTM PhD Hon FAAP FACEP Senior Fellow Scientist Harvard Humanitarian Initiative Harvard University T C Chan School of Public Health From the Foreword This impressive edition builds upon the solid foundation of the first three award winning editions with an expanded focus on climate change related disasters globalization and its implications for emerging and re-emerging infectious diseases the accommodation of high risk high vulnerability populations and the potential for disaster arising from a world witnessing increasing community violence and civil unrest Patricia M Davidson PhD MED RN FAAN Professor Dean Johns Hopkins School of Nursing From the Foreword The contributing authors read like a Who's Who of disaster leaders They lend their special expertise and insights which are supported and elucidated by cogent learning strategies in the use of case studies student questions and packed content in all areas of disaster participation preparedness policies and research For over 16 years this book has been the hallmark text in its field and this edition proves to be the best ever Loretta C Ford RN PNP EdD Dean Emeritus University of Rochester School of Nursing Founder of the National Nurse Practitioner Program Member National Women's Hall of Fame Featuring the most current valid and reliable evidence based content available this three time AJN winner once again presents an unparalleled resource for disaster and emergency preparedness Disasters lay heavy burdens upon healthcare systems that stretch all levels of society While natural and man made disasters are not new the global nature rate type and totality of their impact has only increased The fourth edition of this foundational text uniquely addresses the rapid changes in these crises and analyzes the latest attempts to provide timely multidisciplinary healthcare Nurses consistently comprise seventy or more percent of responders to local national regional and global crises and represent a potentially untapped resource to achieve surge capacity goals and optimize population health outcomes Considering recent world events and increasing geopolitical

tensions Disaster Nursing and Emergency Preparedness Fourth Edition now features expanded content on the ubiquitous threat of terrorism potential detonation of thermonuclear weapons emerging and reemerging infectious diseases and increasing frequency and intensity of natural disasters from climate change This text promotes competency based expert nursing care during disasters and positive health outcomes for small and large populations consistent with the Federal Disaster Response Framework Whenever possible content is mapped to published core competencies for preparing health professions students for response to terrorism disaster events and public health emergencies The fourth edition retains the clearly organized format in each chapter that includes an overview learning objectives a summary and case study with reflective questions New to the Fourth Edition Addresses the most recent landmark agreements Sendai Framework for Disaster Risk Reduction 2015 2030 the United Nations Sustainable Development Goals and the Paris Climate Agreement Covers public health emergencies involving community violence and civil unrest Expands coverage of planning for and accommodating high risk high vulnerability populations Aligns with the U S National Health Security Strategy and the National Planning Frameworks Provides focused content on medical countermeasures Includes an improved instructor package with guide PowerPoint slides and case studies with questions for reflection in every chapter
